SEON

International Conference 2025

The Endoscope, Microscope, Innovation, Implantology and more ...

**Preconference Cadaveric Dissection Workshop
On 11th September 2025**

Sushrut ENT Hospital & Dr. Khan's Research Centre
Talegaon Dabhade, Maharashtra, India 

Venue: DY Patil Medical College, Pimpri, Pune

Date : 12th to 14th September 2025

SEOCON 2025

SEOCON
International Conference 2025

Dear Friends

*Dear Esteemed Colleagues,

*Greetings from Talegaon Dabhade!

It is with great pleasure that we extend a heartfelt invitation to you for *SEOCON 2025, following the tremendous success of our previous editions. The inaugural SEOCON showcased groundbreaking innovations in **Two-Handed Endoscopic Ear Surgery (EES), alongside Single-Handed EES, with the distinguished participation of Professors **Daniel Marchioni, **Arun Gadre, **Mubarak Khan, and **Sapna Parab. Building on this success, the second SEOCON (2024) combined innovations in both **Endoscopic Ear Surgery* and *Microscopic Ear Surgery, alongside sessions on the **Visible Ear Simulator and Haptics, featuring global luminaries such as **Prof. Mads Sorensen, **Prof. Muaaz Tarabichi, **Prof. Satish Jain, **Prof. Khan, and **Prof. Parab*.

With the overwhelming success of these two conferences, we are now eager to host *SEOCON 2025, a unique opportunity for **innovative otolaryngologists* to come together, learn, share, and drive forward the future of endoscopic otology.

Talegaon Dabhade, known for its natural beauty, rich heritage, and progressive strides in *Endoscopic Ear Surgery, will once again serve as the backdrop for this event. The **Society of Endoscopic Otorhinolaryngologists (SEO)* has become a dynamic platform for passionate clinicians, offering an environment where *cutting-edge techniques* in otolaryngology are showcased, discussed, and advanced.

We are honored to invite you to participate in *SEOCON 2025, which promises to be a landmark event in the field. This year, we are privileged to host **Prof. Robert Mlyniski* from Germany, who will be sharing his expertise on *Active and Inactive Middle Ear Implants. **Prof. Daniele Marchioni* from Italy will demonstrate his world-renowned techniques in *EES dissection and surgery, while India's own **Dr. Satish Jain, a legend in microscopic otological surgeries, will conduct **cadaveric dissections* and offer insights through *live surgeries*.

In addition to these stellar sessions, Prof. Khan and Prof. Parab will be presenting latest innovations in Two-Handed Endoscopic Ear Nose Throat Surgery (ETHENTS) techniques. In addition to these stellar sessions, there will be engaging *orations, **invited talks* by global leaders, and opportunities for participants to showcase their work through *competitive award sessions, including **Consultant and PG award papers, **video presentations, **posters, and the **Innovative Challenge*.

We invite all *endoscopic otorhinolaryngologists* to come forward, interact, and exchange knowledge at *SEOCON 2025. This conference will be a dynamic platform for learning and advancing the frontiers of **innovative otolaryngology*. Together, we can build strategies for the future and elevate the field to new heights.

We look forward to welcoming you all to the beautiful and innovative land of *Talegaon Dabhade, India* in *2025*! Warm regards,

Course Directors *SEOCON 2025*

Dr. Mubarak M Khan

Dr. Sapna Parab

Dr Mubarak M. Khan

Dr Sapna R. Parab

Operating Faculty

**Prof. Med. Robert
Mlyniski**

Prof. Dr. med. Robert Mlyniski is an esteemed doctor with 24 years of experience in otolaryngology and ENT surgery. He is currently working at the Department of Otolaryngology, Head and Neck Surgery at the University Hospital Rostock in Germany. Dr. Mlyniski has an impressive CV, including a license for medical practice and a specialization in Otolaryngology. He has also obtained additional qualifications in head and neck surgery.

What sets Dr. Mlyniski apart is his extensive research and contribution to the field. He has published over 335 scientific publications, focusing on topics such as cochlear implants and hearing rehabilitation. His expertise in cochlear implants makes him a leading figure in the field. Dr. Mlyniski is also a board member of the North German Society for Otolaryngology and the chairman of HEARRING. He has been recognized for his contributions and was included in the FOCUS top list of physicians in hearing disorders. With his wealth of knowledge and experience Dr. Mlyniski is considered an expert in his field. Patients can trust in his expertise and benefit from his innovative approaches to hearing rehabilitation. He is dedicated to providing the highest standard of care and improving the lives of individuals with hearing issues.

**Prof. Daniele
Marchioni**

Prof. Daniele Marchioni is the Full Professor and Chair of the Department of Otolaryngology-Head and Neck Surgery at Policlinico Universitario di Modena since 2021. Prior to this, he served as the department chair and directed the Residency Program at Azienda Ospedaliera Universitaria Integrata di Verona from 2014 to 2021. His previous roles include Attending Physician at Policlinico Universitario di Modena from 2006 to 2014, Consultant at the same institution from 2000 to 2006, and Consultant at Evangelico Valdese Hospital in Torino from 2001 to 2005. He has performed over 10,000 complex surgeries, advancing endoscopic techniques for conditions of the ear, skull base and head & neck. As a founding member of IWGEES, he was instrumental in developing minimally invasive approaches for acoustic neuromas and facial nerve tumors and authored the first international book on endoscopic ear and skull base surgery. He has published more than 200 papers in prestigious scientific journals.

Prof. Satish Jain

Dr. Satish Jain an innovator, a researcher, a surgeon per excellence and a selfless teacher. He has brought a new dimension to Endoscopic and Microscope with 360° Concept skullbase surgeries, widening the horizon for the Otolaryngologists across the globe. He has completely revolutionized teaching and education of students, budding surgeon and colleagues by free online availability of his surgical videos. In a short span of his career he has done over 150,000 surgeries of Ear, Nose, Throat, Head, Neck and skull base even the tumours in most advanced stages were removed endoscopically & Microscopically.

He has been a regular invited as chief operating surgeons and trainer all over the world. Dr. Satish has innovated various surgical procedures in the field of ENT and started extensive Cochlear implant program in the state of Rajasthan for the first time in year 2004.

Operating Faculty

**Dr. Mubarak M
Khan**

Dr. Mubarak M Khan One among the few who has succeeded in balancing Profession and Passion with equal ease. A celebrated ENT Surgeon by Profession & an Innovator, Teacher, Singer, Poet by Passion. He is Pioneer and proponent of Endoscopic Two Handed ENT Surgeries (ETHENTS). He is Consultant & Director Sushrut ENT Hospital, Talegaon Dabhade; Adjunct Faculty, KMC, Mangalore; and Adjunct Prof at DPU Pimpri. He has 75+ publications in National & International journals. Though doctor by profession he has converted challenges encountered during surgeries into innovations. He has designed and developed 18 instruments (18 IPR in the form of Designs & Trademarks) in ENT surgeries. He has 3 Patents applications for innovative Endoscope holders in India and USA, of which one patent on Justtack is granted. His Highly cited work on 0.5 % PVP-I as gargles and nose drops is published in AJOHNS & JAMA during Corona pandemic. He is Invited as operating faculty in 50+ courses to demonstrate Innovations and THEES and has delivered lectures as guest faculty in 15 countries. He has trained 120+ ENT surgeons across india and globe through his 13 masterclasses and fellowships. He has Developed Endoscopic Sheep dissection techniques for THEES and has Started concept of short fellowships to teach innovations "ETHENTS". He is the Author of 3 Medical books, 1 philosophy and 2 poem books. He has contributed chapters in ENT and biotechnology books. He is the Mentor for Biotechnology students to teach innovations. He is founder director of Startup "Dr Khan's Creations (manufacturing world class innovative instruments). He is Reviewer of many prestigious international journals. At present mentoring 10 different research projects. He has been conferred upon many Prestigious Prizes and honours.

**Dr. Sapna
Parab**

Dr. Sapna Ramkrishna Parab is presently Consultant at Sushrut ENT hospital and Dr Khan's ENT Research Center, adjunct Professor ENT at DY Patil Medical College Pimpri, Pune. She is the proponent of two handed Endoscopic ENT surgeries. She is actively involved in research activities, mentoring research projects and developing techniques and instruments in ENT Surgeries. Dr Parab is Instrumental in design and development of patented instruments like Justtack & EndoHold along with Dr Mubarak Khan. She has 75+ publications in prestigious journals (Laryngoscope, European archives of Otolaryngology and head and neck surgery, BMJ Innovations, JLO, AJOHNS & IJOHNS). She is author of two ENT books and 3 book chapters to her credit. She is the director of the startup, Dr Khan's creations which manufactures and markets world class innovative ENT instruments. She is also the director of ETHENTS which primarily deals with training of ENT surgeons in the innovative techniques of two handed endoscopic ENT surgeries using endoscope holders. She has developed teaching techniques of Endoscopic Sheep dissection for THEES. She has 3 trademarks (EEScope, Endofibre and Endomaster) to her credit. She has been invited as Faculty in National and International conferences. She has been recently awarded "Sanman Stree Shakticha" for her contribution to medical field.

Provisional Program

- Dissection Haptics (Endoscopic temporal bone)
- Training on Haptic Device
- Surgeries (Microscopic + Endoscopic)
- Cochlear implant surgery
- Endoscopic single handed tympanoplasty
- Endoscopic single handed Cholesteatoma surgery
- Endoscopic two handed tympanoplasty
- Endoscopic two handed Cholesteatoma surgery
- Endoscopic two handed septal reconstruction surgery
- Endoscopic tonsillectomy
- Glomus surgery
- Middle ear Surgeries with Active and inactive middle ear implants
- Acoustic neuroma surgery (subject to availability of cases)
- INVITED TALKS by Eminent International and National Faculties
- COMPETITIVE SESSIONS (Late Mrs. Subhadra Parab Consultant Award Paper, Late Brig G S Gopal Post Graduate Award Paper, Dr. S. A. Jaiswal E Poster, Video and innovative challenge)

Panel Discussions

1. Vertigo
2. Cochlear implant
3. Stapes
4. EES single verses two
5. Ossiculoplasty
6. Inactive middle ear implants
7. Eustachian tube
8. Tympanoplasty & Cholesteatoma
9. Endoscopic thyroid
10. Endoscopic Septoplasty
11. Innovation Panel
12. Endoscopic oropharynx & Laryngotracheal surgeries
13. Professors Panel: challenges in PG training, present and future

Orations

- **MSK ORATION** : In the memory of Late Mr. Mohamed Suleman Khan
- **SBS ORATION** : In the memory of Late Mr. Sayyadnoor Badshah Shaikh
- **RVP Memorial ORATION** : In the memory of Late Mr. Ramkrishna V Parab
- **Dr Khan's Creations ORATION**
- **ETHENTS ORATION (Endoscopic Two Handed ENT Surgery)**

THE VENUE FOR CONFERENCE

DR. D. Y. Patil Medical College, Hospital and Research Centre

Established in 1996 under the visionary leadership of Hon'ble Dr. P. D. Patil, Chancellor of Dr. D. Y. Patil Vidyapeeth, Pimpri, Pune, this institution has grown into a beacon of excellence in medical education and research. Inspired by the ideals of Dr. D. Y. Patil, the Founder-President, the college embodies a mission to make healthcare universally accessible while maintaining global standards. Hon'ble Dr. Bhagyashree Patil, Pro-Chancellor, continues to lead the institution with a focus on holistic education and healthcare innovation.

The guiding vision behind the establishment of this institution centres on making healthcare accessible. Since its inception, the Medical College, Hospital and Research Centre has distinguished itself as an "Institute of Excellence." Today, it stands as a prominent beacon of education and research in the country, having earned recognition from the National Medical Commission, New Delhi.

Under the dynamic stewardship of Hon'ble Dr. Yashraj P. Patil, Trustee and Treasure, the college is propelled toward greater heights, integrating state-of-the-art infrastructure, cutting-edge research and global collaborations, making it a leader in medical excellence.

Seocon 2025 Scientific Programme Guidelines

GENERAL INSTRUCTIONS:

Registration for SEOCON 2025 is mandatory for any presentation.

Abstract will be considered for acceptance only after registration.

The abstracts for the presentation should not exceed 300 words.

The abstract should be in MS Word format, Times New Roman font with 12 Font Size.

Abstract must contain the following headings –

Title, Presenting Author, Background, Aim/Objectives, Methodology, Results and Conclusion.

A bonafide certificate from the head of the department must be attached with the abstract for all the participating postgraduate residents.

Only the Presenting author name should be present in the presentation.

Affiliated institutes/hospitals should not be disclosed anywhere. It will lead to disqualification.

The scientific committee will screen all abstracts before the presentation.

The committee decision will be final and binding.

The scientific committee reserves the right to formulate the rules and regulations for the smooth conduct of the competitive representations.

The presentations will be judged based on originality of work, clarity of presentation and scientific merit.

Please note that the committee reserves the right to change any component of an accepted proposal

The last date for abstract submission is **30th June 2025**.

After the submission deadline, all completed abstracts and proposals will be peer reviewed by the Annual Meeting Program Committee. “Incomplete” abstracts or proposals will not be reviewed. To ensure the integrity of the review process, revisions to abstracts and proposals will not be accepted after the submission deadline—no exceptions.

Seocon 2025 Scientific Programme Guidelines

1. ORAL PRESENTATIONS

Scientific Oral Presentations are short oral presentations focusing on current evidence-based research, surgical procedures, and approaches in clinical sciences and their application to patient care. Based on merit, oral submissions will be selected and recognized as Best of within each specialty area.

a) Late Mrs Subhadra Ramkrishna Parab Consultant Award:

1. ENT surgeons with more than 3 years' experience in the field are eligible for this category.
2. Original basic science and clinical work related to the broad area of otolaryngology ailments and diseases may be submitted.
3. Case Presentation is not allowed.
4. Time Limit – 10 + 2 minutes for discussion and queries.
5. 2 Best judged papers will be presented with a medal, certificate & prize from DKC.

b) Late Brig. G S Gopal Post graduate Award

1. Post graduate students only can compete.
2. Original Work. Case Presentation is not allowed.
3. Time Limit – 8 + 2 minutes for discussion and queries.
4. 2 Best judged papers will be presented with a medal, certificate & prize from DKC.

3) E-POSTER COMPETITION

1. Both Consultants and Residents are eligible for this category.
2. Posters need to be prepared in landscape mode.
3. Scientific committee will decide if separate categories need to be made subject to number of entries received
4. Presenter should be available at the allotted time slot for presentation.\
5. Best judged poster will be presented with a medal, certificate & prize from DKC

4) RESIDENT QUIZ COMPETITION

1. Only Postgraduate students are eligible for this category.

Seocon 2025 Scientific Programme Guidelines

2. Team of two (2) residents from the same institution.
3. The participants are instructed to register their participation at the registration desk at the commencement of the conference.
4. A preliminary elimination round will be done if more than 4 teams participate.
5. A Medal and Certificate will be presented to each member of the winning team.

5. VIDEO PRESENTATION

The videos are eight-minute, short demonstration videos of key surgical procedures performed by otolaryngologist-head and neck surgeons. Each presentation will conclude with two minutes of audience questions and answers. Submissions should be high-quality videos, narrated by the lead presenter, and limited to seven minutes. All submissions will be reviewed initially for the quality of video and sound clarity. Submissions with poor video and sound clarity will be excluded from consideration regardless of the quality of their content.

1. Both Consultants and Residents are eligible for this category. Scientific committee will decide if separate categories need to be made subject to number of entries received
2. Video can be on surgical techniques, unique investigations or on any section which would invoke new learning points.
3. Time duration - 8 + 2 minutes for discussion and questions.
4. Audio to be preferably included.
5. Best judged video will be presented with a medal and certificate.

INNOVATIVE CHALLENGE:

1. Paper/ Innovative Technique/ video presentation in field of ENT are allowed for this category.
2. Original basic science and clinical work related to the broad area of otolaryngology ailments and diseases may be submitted.
3. Time Limit – 10 + 2 minutes for discussion and queries.
4. Best judged Paper/ Technique/ video presentation will be presented with a medal and certificate.

Travel Fellowships in Otorhinolaryngology for SEOCON 2025 Participants

The Society of Endoscopic OtoRhinoLaryngologists (SEO) and ETHENTS are proud to announce prestigious travel fellowships for participants of SEOCON 2025. These fellowships, open to candidates from both Indian and foreign universities, aim to foster advanced learning and collaboration in otorhinolaryngology.

Conceptualized by Dr. Mubarak Khan (Founding President), Dr. Shirin Khan (Founding Vice President), and Dr. Sapna Parab (Founding General Secretary), the program provides a unique opportunity to visit prestigious universities and exposure to cutting-edge techniques in ENT. Join us in advancing the future of endoscopic and microscopic ENT surgery.

SEO Travel Fellowship: <https://www.seocon.in/travel-fellowship>

FELLOWSHIP BENEFITS:

Fellowship Categories:

1. Foreign Universities:

- Grant: 50,000/-

Total Fellowships: 2

2. Indian Universities:

- Grant: 25,000/-

Total Fellowships: 2

- Open to all practicing ENT surgeons or postgraduate ENT trainees.
- The applicant must be registered for SEOCON 2025
- Preference will be given to SEO members
- Candidates must attend an in-person interview during SEOCON 2025.
- Final selection will be based on academic achievements, professional experience, and interview performance.

ELIGIBILITY

Selection Process

■ **Application Process**

1. **Step 1:** Register for SEOCON 2025.
 - Registration is mandatory to be eligible for the fellowship.
 - Visit [SEOCON website/registration link] for details.
2. **Step 2:** Submit the Fellowship Application Form.
 - Required documents:
 - Updated CV.
 - Letter of motivation (maximum 500 words).
 - Copy of SEOCON registration receipt.
 - Proof of qualifications (degree certificate or trainee ID).
3. **Step 3:** Attend the Interview.
 - Date and time will be communicated upon application review.
 - Interviews will take place during SEOCON 2025.

Submission

Send your completed application with all required documents to: Email: [Insert email address]

Subject Line: SEOCON 2025 Travel Fellowship Application

Terms and Conditions

1. Fellowship grants are disbursed post-approval of travel plans and locations.
2. Selected candidates must submit a short report post-observation at the fellowship site.
3. The decision of the SEOCON Fellowship Committee will be final.
