

Fortify Solutions Code of Business Ethics

Commitment to Excellence in Cybersecurity and Quality

At **Fortify Solutions**, we uphold the highest standards of **ethics, quality, and security** in our Cybersecurity Consulting, VAPT, Training, and Compliance Services. Guided by ISO 9001:2015 and ISO 27001:2022 principles, we foster **trust, integrity, and professionalism** in all our actions.

Our Seven Core Principles

- σ **Integrity:** We act with honesty, transparency, and fairness, delivering accurate and reliable services to our clients.
- σ **Quality:** We strive for excellence in all operations, ensuring consistent, high-quality deliverables per ISO 9001:2015.
- σ **Confidentiality:** We protect client data, intellectual property, and sensitive information using robust security measures (ISO 27001:2022).
- σ **Customer Focus:** We prioritize client satisfaction, addressing their needs with professionalism and responsiveness.
- σ **Compliance:** We adhere to all applicable laws, regulations, and contractual obligations.
- σ **Accountability:** We take responsibility for our actions and report unethical behaviour promptly.
- σ **Continual Improvement:** We enhance our processes, security, and quality to deliver better outcomes.

Our Four Commitments

- σ **Protecting Data:** We safeguard client VAPT reports, training materials, and systems with access controls.
- σ **Delivering Quality:** We ensure reliable, timely, and professional consulting, training, and VAPT services.
- σ **Upholding Ethics:** We avoid conflicts of interest, prohibit bribes, and maintain transparency in all dealings.
- σ **Reporting Violations:** We encourage reporting of unethical behaviour with confidentiality and no retaliation.

Compliance and Accountability

All employees, contractors, and third parties must follow this code. Non-compliance may lead to disciplinary action. We monitor adherence through audits, training, and incident reporting, ensuring alignment with our quality and security commitments.
