**Tactical superiority thanks to
drones: observation, targeting,
neutralization.**

ELITE TACTICAL TRAINING

ADVANCED CAMOUFLAGE AND STEALTH

Module Content

DURATION : 3 DAYS
24 hours

**Audience : SOF, Snipers,
Recon Units.**

Learning Objectives

- Blend in all environments (day/night, forest, desert, urban, mountain).
- Tailor concealment to mission, terrain, and threat type.
- Build, adapt and maintain camouflage gear and ghillie suits.

Day 1 – Camouflage principles and environments

- Visual, thermal and acoustic signature theory.
- Core rules: shape, shadow, shine, contrast, motion.
- Terrain analysis: woodland, open, urban, arid, alpine.
- Ghillie suit workshop: material gathering and suit building.

Day 2 – Static concealment and hide positions

- Face paint and rifle wrapping.
- Camouflaging an OP or firing point.
- Concealment shelters: natural or assisted.
- Field exercise: detection vs evasion drills.

ELITE TACTICAL TRAINING

ADVANCED CAMOUFLAGE AND STEALTH

DURATION : 3 DAYS
24 hours

**Audience : SOF, Snipers,
Recon Units.**

Learning Objectives

- Blend in all environments (day/night, forest, desert, urban, mountain).
- Tailor concealment to mission, terrain, and threat type.
- Build, adapt and maintain camouflage gear and ghillie suits.

Day 3 – Stealth movement and evasion

- Silent movement, crawl techniques, cover usage.
- Camouflaged approach and escape.
- Scenario: long surveillance + silent exfil.
- Final test: concealment & detection drill (graded).

Equipment

- Paint, nets, snipping tools, natural materials.
- Ghillie suits, optics, binoculars, simulated thermal sensors.

Certification

- Field concealment test (70%) + 20-question MCQ.
- Certificate: Advanced Camouflage Operator
