

Welcome TO OUR SCHOOL

MODERN CONVENT SCHOOL
GARGY GURUKUL

Education is not the amount of information that is put into your brain and run riot there, undigested all your life. We must have life-building, man-making, character-making, assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by heart a whole library.

all learners

PRE-PRIMARY

Our Pre-Primary curriculum is made to provide a setting that is happy and supportive so that young children can explore, learn, and grow to love education. Through play-based and experiential learning, we promote the cognitive, social, emotional, and physical development of every child, with an emphasis on their holistic growth.

PRIMARY & MIDDLE SCHOOL

Our curriculum for Primary and Middle School aims to foster curiosity, creativity, and critical thinking while laying a solid academic foundation. We put a lot of emphasis on each student's overall growth, making sure they pick up the abilities and information required to succeed in college and beyond.

SECONDARY AND SENIOR SECONDARY

Our Senior Secondary and Secondary curricula are developed to get pupils ready for college and good careers. We place a strong emphasis on critical thinking, academic achievement, and personal development to make sure that students leave our program with the information and abilities necessary to succeed in their chosen industries.

SAFETY & SECURITY

Our Senior Secondary and Secondary curricula are developed to get pupils ready for college and good careers. We place a strong emphasis on critical thinking, academic achievement, and personal development to make sure that students leave our program with the information and abilities necessary to succeed in their chosen industries.
