About Us

WELCOME TO CUTLERY CRAFTS

Cutlery Crafts manufactures premium 18/10, 18/8 chrome nickel stainless steel cutlery, specializing in B2B wholesale solutions for forks, spoons, knives, and ladles.

Cutlery Crafts is a family-run business in Spain that has been manufacturing stainless steel cutlery. We are a recognized and respected manufacturer of 18/10, 18/8 Chrome Nickel Stainless Steel Spoons, Forks, Knives, and Ladles.

With over 30,000 custom product designs. We are able to offer our customers choice, excellent quality and service at competitive prices.

Our manufacturing plant in Wazirabad, Pakistan boasts an experienced and dedicated manufacturing team who are available from 9am - 5pm Monday to Friday.

The warehouse proximity into Barcelona, Spain allows us to provide a quick service from order to delivery. We supply a large customer base. Our customers include bars, restaurants, schools, universities, public sector organisations, night clubs, event suppliers, hotels, residential nursing care home and mobile caterers & retailers.

Barce

Barce embodies modern dining with its clean lines and polished, minimalist aesthetic. Crafted from premium 18/10 stainless steel, this cutlery offers a substantial feel and a sleek, understated elegance. Designed for both everyday enjoyment and special occasions, Barce brings a touch of refined simplicity to your table. This cutlery, forged from premium 18/10 stainless steel, delivers a luxurious weight and a mirror-like shine that catches the eye. Every piece is a testament to exceptional craftsmanship and design, transforming ordinary meals into extraordinary dining experiences.
