Disclaimer

- These preliminary materials and any accompanying oral presentation (together, the “Materials”) have been prepared by SPS (the “Company”) and are intended solely for the information of the Recipient. The Materials are in draft form and the analyses and conclusions contained in the Materials are preliminary in nature and subject to further investigation and analysis. The Materials are not intended to provide any definitive advice or opinion of any kind and the Materials should not be relied on for any purpose. The Materials may not be reproduced, in whole or in part, nor summarized, excerpted from, quoted or otherwise publicly referred to, nor discussed with or disclosed to anyone else without the prior written consent of the Company.
- The Company has not verified any of the information provided to it for the purpose of preparing the Materials and no representation or warranty, express or implied, is made and no responsibility is or will be accepted by the Company as to or in relation to the accuracy, reliability or completeness of any such Information. The conclusions contained in the Materials constitute the Company’s preliminary views as of the date of the Materials and are based solely on the information received by it up to the date hereof. The information included in this report may be subject to change and the company has no obligation to update any information given in this report. The Recipient will be solely responsible for conducting its own assessment of the information set out in the Materials and for the underlying business decision to effect any transaction recommended by, or arising out of, the Materials. The Company has not had made an independent evaluation or appraisal of the shares, assets or liabilities (contingent or otherwise) of the Company.
- All projections and forecasts in the Materials are preliminary illustrative exercises using the assumptions described herein, which assumptions may or may not prove to be correct. The actual outcome may be materially affected by changes in economic and other circumstances which cannot be foreseen. No representation or warranty is made that any estimate contained herein will be achieved.
