So you want to bring Bloco Mamutão to your town? Awesome! This is what we ask from you - the rest will be taken care of by Mamutão organizers!

Timeline

- Details to be finalized **3 months** out from the event between local organizers and Mamutão directors
- Invitation will be sent out to all members **2 months** out from the event - including all key information (dates, rehearsal time and address, accommodation options, cost) by Mamutão diretoria

Show

- Mamutão show to be between 30-60 minutes - not the only attraction
- Saturday evening/night, or Sunday morning, to allow people to travel without taking extra days off
- Needs to accommodate a 50+ bateria in terms of space and noise levels
- Audience needs to be receptive to a bateria show
- Playing stationary is preferred, but parading is also an option if the distance is not too long
- Option to play with amplified sound is a plus

Rehearsal space

- at least 1500sqf/150m²
- Sound proofed/no noise complaints between Saturday 9am and 5pm
- Access to bathrooms
- Easy access by transit if possible
- 2-3 tables with chairs to facilitate participant registration

Instruments

- If there are surdos to be borrowed locally, it's a great help, but not required
- Instruments are 'bring-your-own' (organizers not responsible)

Logistics

- If someone has a van or truck locally which can carry instruments safely, it's helpful but not required
- One or two local helpers who do not play can be very useful with logistics

Food

- Source a cheap and fast lunch (pre-order menu at a nearby restaurant, catered sandwiches, etc) close to the rehearsal spot

Accommodation

- Please encourage the local samba community to host people travelling to the event (even on couches or air mattresses)
- If a local hotel can offer a discounted rate for participants, it's very helpful
- If there is a community hall/gym/classroom where people can stay on mattresses, it can be an option
