The City of Haviland annually offers this service for the convenience of those in our community and rural areas who own dogs and/or cats. Dogs and cats within the City limits must be licensed each year by April 30. Flea & Tick prevention will be available. Heartworm medication will be available with testing. A price list will be available closer to the event.

***** ANNUAL CITY LICENSE FEES *****
 \$1.00 for each neutered or spayed dog or cat.
 \$3.00 for each non-neutered or unspayed dog or cat.

The person registering and paying the license fee for a neutered or spayed dog or cat must present a certificate from a licensed veterinarian showing that each dog or cat has been neutered or spayed.

The city office requires a copy of all current rabies vaccine certificates.

City of Haviland Ordinance No. 577 states in part: All dog owners and keepers are required to securely restrain their dogs on their premises, in their vehicles or on a leash when out on their premises. Owners and keepers shall not permit dogs to run at large. It shall be unlawful for any person to own or keep any dog or cat over an 181 month of age within the corporate limits of the City of Haviland without registering such dog or cat and paying a yearly license fee thereon. Owners or keepers shall be required to register and pay the license fee for their dogs or cats after the dogs or cats have reached the age of six months. Upon registration and payment of the license fee, a tag will be issued. The owner or keeper must affix the tag to the registered dog or cat. It shall be unlawful to take off or remove said tag. The tag shall be non-transferable. Dogs and cats must be re-registered each year.
