About Larry Cheuk

I made this short video for you to introduce myself. [Click here to watch.](#)

Thanks for downloading this pdf.

I run a production service that partners exclusively with Marketing Heads to eliminate event video uncertainty. For the last **20 years**, I've been on the ground managing the video execution for **top marketing executives and high-profile brand events**.

I can say with certainty that the ability to deliver **flawless, consistent video assets** across large-scale events—without pulling your internal team away from their day-to-day priorities—is a product not every videographer can deliver.

We have produced content for **Netflix, HBO, Google, Intercontinental** and hundreds more.

- ❑ We are committed to providing the same high level of quality, efficiency, and partnership to your team. We are your reliable, on-the-ground production partner for high-impact, professional video.

The "On-Site Production" Packages

Complete On-Site Production & Asset Delivery

1

1-Day Event Capture: **\$10,000**

This all-inclusive package is your complete solution for one full day of on-location capture. We eliminate the logistical headaches and ensure every key moment—from speaker sessions to networking—is captured with cinematic quality.

2

2-Day Event Capture: **\$15,000**

This is a comprehensive solution for multi-day events or a high volume of keynotes. This package offers maximum flexibility for capturing a wide range of content over two full days, including key interviews and extensive B-roll.

3

3-Day Event Capture: **\$20,000**

Our most comprehensive on-site solution, ideal for major multi-day conferences. This package ensures a complete visual narrative, capturing a rich library of content to reflect the entire event.

All Production Packages Include:

- On-site Project Management & Logistics (1-2 person lean crew)
- High-End Video & Audio Capture
- Secure Delivery of All Raw Footage (Organized & Labeled)

Post-Production Deliverables (As an Add-On)

Transforming Raw Footage into High-Impact Assets.

These optional, post-production add-ons transform your raw event footage into powerful, finished videos. We edit your assets into compelling content that your marketing team can immediately use for internal communications, social media, and promotions.

Event Highlight Reel & Social Pack:

\$5,000

We'll produce a polished, high-impact highlight reel (1-2 min) and 3-5 short social teasers. Perfect for recapping the event and sharing on your platforms.

Thought Leadership & Expert Video

Series: \$8,000

We'll take your speaker sessions and key interviews and produce a series of 5-8 polished videos (3-5 minutes each). This is ideal for internal training, external thought leadership, or a leadership communications library.
