Frequently Asked Questions (FAQ)

- How far in advance should we book you?

We recommend booking at least 6-12 months before your wedding to secure your date, especially during peak wedding season.

- Do you offer payment plans?

Yes! We can break your payment into 3 installments: 30% to book, 40% before the wedding, and 30% upon delivery.

- How soon do we receive our film?

You will receive a teaser (if ordered) within 48-72 hours and your full film within 6-8 weeks.

- Can we choose the music for our film?

Due to licensing restrictions, we select royalty-free music that fits the vibe of your day. However, we always ask about your style preferences (romantic, fun, cinematic, upbeat, etc.).

- Do you travel for weddings?

Absolutely! We love destination weddings and offer custom travel packages. Let us know where your big day will take place, and we'll work out the details.

- Do you work with a shot list or is it all candid?

We combine candid storytelling with some guided moments (like couple sessions) to get the best mix of natural and cinematic shots.

- Do you offer photography too?

We specialize in videography, but we have photographers we love working with and can happily recommend!
