

Use Case 1: Audio Transcript to Report

You have just audio recorded your meeting, with consent, agreed you will delete the audio recording post-meeting for GDPR reasons. Your #IntelligentCommandPrompts are in purple. Now, talk to your chosen free AI agent (written or audio).

∞ Summarise A Meeting Example

"Can you summarise the following transcript, including the key points from the meeting, actions to follow up on, and any decisions made?"

∞ Quote Summary Example

"Based on this transcript, create a detailed quote outline for the work the client described, including materials, hourly rate/labour, and special notes."

∞ Requirements Example

"Can you extract the client requirements from this transcript and present them in a bullet-point format for my reporting tool?"

Remember, you can also do this with other file types: docx/pdf/rtf/txt:

∞ Document Summary Example Word/pdf/rtf etc

"Can you take this file and summarise it for the specific actions mentioned in the meeting notes that I need to complete by the agreed timeline?"

∞ Contract Review Example Word/pdf/rtf

"Can you take this file and review this contract from the point of view of the client. Are there any clauses we should be looking out for?"

Use Case 2: Intelligent Image Generation

∞ Before and After Example

"Show a cluttered utility room transformed into a modern, practical home office with white walls, smart lighting, and ergonomic furniture"

∞ Social Media Example (LinkedIn/Insta/X/FB/Tiktok)

"Design an inspirational quote image that says 'Work Smarter, Not Harder' on a sunrise background with a clean business style and Summone Consulting logo."

∞ Branding Example

"Show a coffee truck with a clean, eco-friendly brand look using forest green and white, minimal text, and wooden textures."

∞ Image Reiteration Example

"Okay, make the coffee truck pink, with an elephant serving coffee and an ethnically, culturally, and differently abled population as customers."

Use Case 3: Simple Quote System**∞ Trade Person Example**

"Create a quote for a job with £300 in materials, 25% markup, 16 hours of labour at £30 per hour, and 20% VAT."

∞ Landscape Gardener Example

"I need to install fencing along the side of the house. It's 5m x 5m x 5m. The fencing will be 2m high. I have a preferred supplier:

<https://www.tartantimber.com/collections/all>. Can you provide me with the information I need to obtain a quote for the raw materials? Labour: 16 hours at £50 per hour with a 20% profit and 20% VAT."

∞ Painter-decorator example

"Quote to paint 3 rooms. Materials: £120. Labour: 2 days @ £160/day. Add 15% markup and 20% VAT."

∞ Electrician Example

"Quote to replace a fuseboard: Parts £180, Labour for one work day at £250, 15% profit, 20% VAT."
