To Whom It May Concern,

It is my pleasure to write this letter of recommendation for Doug Bryan. Doug was a valuable member of our Sales & Marketing team at Bayou Powersports, and although we recently had to make the difficult decision to eliminate his position due to restructuring, this in no way reflects his performance or character.

During his time with us, Doug consistently demonstrated professionalism, enthusiasm, and a genuine dedication to customer satisfaction. He was known for building strong relationships with clients, maintaining detailed knowledge of our product lines, and contributing creative ideas to drive marketing efforts. Doug has a natural ability to make people feel welcome and informed, which made him a favorite among both coworkers and customers.

Doug is reliable, hardworking, and carries himself with integrity. I have no doubt that he will be an asset to any organization fortunate enough to bring him on board. I wholeheartedly recommend Doug for any opportunity in sales, marketing, or customer service and would be glad to speak further on his behalf.

Sincerely,
Mike Lary
