

# Wardrobe Edit

---

This service is designed to make you feel comfortable with the clothes you already own and give your wardrobe a strategic approach. Together, we'll go through your closet to analyze the pieces you wear often, the ones you rarely use, and those you own but don't know how to style. We'll evaluate which items you might want to donate or give away, and keep the ones that truly flatter your body type and personal style. In the end, we'll create a list of the pieces you're missing to complete your looks and maximize the use of your wardrobe.

Includes:

- Garment analysis.
- Evaluation of clothes you rarely use and hard-to-style pieces.
- Recommendations on what to keep, donate or give away.
- Styling suggestions using what you already own.
- A list of missing items to complete your wardrobe.
- Personalized document summarizing everything we worked on and discussed.

- ◆ Approximate duration: 2 hours (depending on the amount of clothing and how much you'd like to review).
- ◆ This service can take place either at the client's home or at mine.

# Body Shape Analysis

Did you know that we all have a unique body shape? Knowing yours will help you make the most of it by highlighting what you love about yourself, helping you look and feel great, no matter the occasion. This service is designed to help you understand your figure, choose the right garments, and most importantly, enjoy getting dressed with confidence.

We'll identify your body type so you can learn which cuts and styles flatter you most. I'll give you personalized recommendations on fabrics, lengths, necklines, sleeves, and specific details that enhance your shape. We'll also talk about what to avoid or how to adapt certain pieces to achieve balance and harmony in your outfits.

Includes:

- Identification of your body type.
- Personalized document with specific recommendations on cuts, garments, fabrics, and details to guide you whenever you need it.
- Styling tips to highlight what you love most about yourself and dress with confidence.

- ◆ Approximate duration: 1 hour (depending on how in-depth we go together).
- ◆ This service can be carried out at the client's home, at my home, or virtually.

# Style Personality

---

We all have a style that describes us, the key is discovering it and adapting it to our essence so we can reflect who we are through what we wear. This service is designed to help you identify that personal style that makes you feel authentic and confident on any occasion.

In this session, I'll introduce you to the 6 universal style types to determine which one suits you best, based on what you share with me about yourself, your tastes, lifestyle, work, and more. From there, we'll work together to identify the style or styles you connect with the most or the one you'd like to project.

Includes:

- Identification of your personal style.
- Detailed document with all the information about your style, including specific recommendations, accessories, and more.

- ◆ Approximate duration: 1 hour (may vary depending on how deeply we explore your style).
- ◆ This service can be carried out at my home, a coffee shop, or virtually.

# Color Analysis

---

Did you know that we all have colors that naturally flatter us? We'll start by identifying your undertone and then move on to determine your season and sub-season. This will help us discover which colors enhance your natural beauty and make you feel in harmony. From there, I'll guide you on how to use these colors to elevate your personal style and overall image.

Includes:

- Determination of your undertone.
- Identification of your season and sub-season.
- Detailed document with your best color palette, to be used as a reference when shopping. It also includes recommendations for clothing combinations, colors to avoid, neutral and accent colors, etc.
- Detailed document on makeup according to your season and sub-season.

- ◆ Approximate duration: 1 hour (may vary depending on any questions or doubts you have).
- ◆ \$80
- ◆ I offer this service at my home (due to lighting reasons), or if you prefer, it can be done virtually.

# Personal Shopping

---

Shopping for clothes can be overwhelming when you don't know where to start or what's best for you. With this service, I'll guide you through a personalized shopping experience to ensure that each piece you choose truly highlights your style and fits your body type and needs. Before your session, we'll meet either in person or via Zoom to discuss what you're looking for, your budget, and your personal style. During the session, I'll accompany you and help you choose strategic pieces, making sure they're flattering, versatile, and functional for your lifestyle or the occasion you're shopping for.

This service is designed to provide you with a personalized and efficient shopping experience, with the assurance that every piece you purchase will make you feel comfortable, confident, and true to your style.

Includes:

- Pre-consultation to determine budget and needs.
- Selection of stores based on your goals.
- Personalized accompaniment during the shopping experience.
- Real-time advice on cuts, colors, and combinations.

◆ Approximate duration: I recommend at least 2 hours.

# "Identity and Style" Package

Have you ever wondered why certain colors make you glow while others seem to dull your shine? Or why there are pieces that just don't quite convince you, even though they're on-trend? The Identity and Style package is designed to help you discover what truly flatters you, from the hues that brighten your face to the cuts that enhance your figure. You'll learn to reflect who you are through your clothes, with confidence and style.

Plus, you'll receive a special bonus: we'll explore your personal style so you can start expressing yourself authentically through your clothing. This is the first step toward building a closet that fits you, not the other way around.

Includes:

- ◆ Color Analysis (with personalized documents)
- ◆ Body Shape Analysis (with personalized documents)

BONUS:

- ◆ Style Personality
- ◆ Document with your personal style and recommendations.

# "Your Image, your Essence" Package ✦✦

Do you feel like your style doesn't quite reflect who you are? Do you find yourself with a closet full of clothes but still feel like you have nothing to wear? This package was created to help you express your unique style that truly represents you.

Through color analysis, a study of your body type, and an in-depth review of your closet, I'll help you discover what pieces flatter you, which ones no longer represent your current style, and which ones you no longer wear. Together, we'll do a mindful decluttering, discuss possible combinations, and build a practical guide so you know how to get the most out of what you already own and what pieces you could add.

And as a special gift, it also includes a Style Personality session, where we'll discover the style that best represents you and makes you feel 100% yourself.

Includes:

- ◆ Color Analysis (with personalized documents)
- ◆ Body Shape Analysis (with personalized documents)
- ◆ Wardrobe Edit (with personalized document)

BONUS:

- ◆ Style Personality
- ◆ Document with your personal style and recommendations.

# "Renew your Image" Package ✦✦

Do you struggle with combining your clothes, or no longer feel represented by your current style? Do you want to stop impulse shopping and start building a closet that really works for you?

Together, we'll discover the colors that flatter you the most, the cuts that highlight the best of your figure, and the pieces that align with your lifestyle and personality. I'll guide you through a complete journey: from reviewing your closet and learning how to get the most out of what you already own, to shopping with intention to find what you truly need. Plus, as a gift, we'll explore your personal style so you can start expressing yourself with confidence and authenticity.

This is not just a makeover: it's an investment in you.

Includes:

- ◆ Color Analysis (with personalized documents)
- ◆ Body Shape Analysis (with personalized documents)
- ◆ Wardrobe Edit (with personalized document)
- ◆ Personal Shopping

BONUS:

- ◆ Style Personality
- ◆ Document with your personal style and recommendations.
