---

Patient Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_

**Our goal is to provide our patients with understanding and clarity of our financial policies so that you may receive excellent service. If you have any questions concerning these policies, please do not hesitate to ask.**

### INSURANCE:

- I am responsible for knowing my benefits and for all copays, deductibles and payments as outlined in my insurance policy and understand that not all services are considered “covered” benefits in all policies, and in such cases, I am solely responsible for payment.
- I understand by giving my insurance card, I have given permission for Columbia Counseling Center and Associates (CCCA) and their contracted billing service, Therapist Solutions, to verify my coverage with my insurance company. I further understand that this is a general quote of benefits and does not guarantee payment for my service.
- I authorize the CCCA billing service to file insurance claims and to receive payment and assignment on my behalf, along with the release of records, including psychotherapy notes, or other medical billing data necessary to process claims to my insurance carrier.
- I accept full responsibility for my account balances, regardless of my insurance status or coverage problems that may arise during the course of my treatment.
- I agree to notify CCCA of any changes to my insurance policy along with changes to my PHI, such as address and/or phone number and emergency contact information.
- I understand that testing has a separate fee, and I am responsible for payment if insurance does not cover due to being a non-covered service or provider.
- I authorize payment of my medical/mental health benefits to be paid to CCCA on my behalf.

### CREDIT CARD AUTHORIZATION:

- We require every patient to keep a credit card on file. In accordance with our Late Cancellation and No-Show Policy, this card will be charged. This is a requirement to be a patient in our practice.
- I understand that any copays, coinsurances and deductibles will be collected at time of visit via a card kept on file.

### RETURNED CHECK FEE:

- I understand that if there is a returned check on my account, I am responsible for a service charge; and if the check is not taken care of immediately, it will be turned over to a collection agency.

### COLLECTION AGENCY:

- In the event of any unpaid, delinquent debts, I authorize CCCA to release my information to a collection agency, and I understand I am responsible for all collection agency fees. Methods of contact will be determined by the collection agency, but may include the use of phone calls, pre-recorded voice messages, text messages or email.

### NON-COVERED SERVICES:

- I understand that phone consultations, letters, reports and disability forms are not covered by insurance and that I am responsible for payment of any fees which may be related to such services.
- I understand that if I have given authorization for my medical record to be released, I am ultimately responsible for any fees associated with this request.
