

Dixon Historical Guild

Guest Historian

Following are the six issues of the Dixon Historical Society's Historical Journal which were originally published in 1993 and 1998.

The original volumes are available at the Dixon Public Library and maybe at the DHS Museum.

There is a LOT of good Dixon History in these short volumes and for the life of me I can't figure out why the DHS hasn't republished them on their website.

This would be a good place to start if you are truly new to Dixon, or if you'd like to brush-up on basic area history.
