Important Update: New Slab-Based Agency Commission Structure (Effective 10th Feb 2025)

Dear Agencies,

We would like to inform you about an important update to the **agency commission structure** on **Kandy (Powered by Vitok)**. Previously, all agencies received a **fixed 10% commission**, but moving forward, the commission will now be **based on a slab structure** according to the agency's level.

New Commission Structure (Effective from Monday, 10th Feb 2025)

Your commission will now be determined based on **total weekly earnings (streamer + sub-agent earnings in Beans)** as per the following slabs:

Level	 Streamer + Sub-Agent Earnings (in Beans)	 Commission %
1	0	10%
2	70,00,000	12%
3	1,05,00,000	15%
4	1,75,00,000	17%
5	2,80,00,000	20%
6	4,20,00,000	25%
7	7,00,00,000	30%

How the Commission Will Be Applied (With Example)

- ◆ Your agency level will be updated every **Sunday night** based on **total weekly earnings (Monday to Sunday)**.
- ◆ The updated **commission percentage** will apply from the **following Monday**.

Example (Corrected as per Table):

Week 1 (Monday to Sunday):

Your agency's total earnings (streamers + sub-agents) = **70,00,000 Beans**

 As per the slab, your agency qualifies for **Level 2 (70,00,000+ Beans → 12% commission)**.

 This update will be applied on **Sunday night** at the end of Week 1.

Week 2 (Monday to Sunday):

 From Monday to Sunday, your commission will be **12% (instead of 10%)**.

 If your total earnings for Week 2 increase to **1,10,00,000 Beans**, your level will be updated to **Level 3 (1,05,00,000+ Beans → 15% commission)** on **Sunday night**.

Week 3 (Monday to Sunday):

 From Monday, your commission will now be **15% instead of 12%**.

 If your total earnings for Week 3 increase to **1,80,00,000 Beans**, your level will be updated to **Level 4 (1,75,00,000+ Beans → 17% commission)** on **Sunday night**.

Week 4 (Monday to Sunday):

 From Monday, your commission will now be **17% instead of 15%**.

 If your total earnings for Week 4 increase to **3,00,00,000 Beans**, your level will be updated to **Level 5 (2,80,00,000+ Beans → 20% commission)** on **Sunday night**.

Key Points to Remember:

 **New commission structure starts from Monday, 10th Feb 2025.**

 **Agency levels update every Sunday night** (based on total weekly earnings of streamers & sub-agents).

 **The new commission percentage applies from Monday to Sunday of the following week.** We encourage all agencies to **increase their total earnings and maximize their commission** under this new system!  **For any questions or clarifications, feel free to reach out to our support team.**
