Policy (10-Feb-2025)

Agency Rules:

- Agents are not allowed to recruit Streamers from other agents on Kandy
- It is strictly forbidden to promote other platforms on Kandy.
- Streamers are not allowed to join more than one agent at the same time. (If such behaviour is discovered, the host's new account will be banned immediately)
- Agents are not allowed to try to pull existing hosts on the platform into their agency. (If we receive any evidence, the agent who commits the first offence will face a penalty of 100000 beans, and the second offender will face a penalty of 500000 beans. For agents who repeatedly violate this rule, the platform will deduct all their commissions and cancel their cooperation relationship)
