## December Meeting Recap

Thanks Bill & Riko Wookey for hosting the Christmas Party.

New officers were elected.

The Treasury report was accepted.

Discussed Parade of Lights & ordering an updated banner; we have old sponsors on the banner. The suggestion is to do a banner without sponsors.

Bi-annual rule changes were reviewed: The amended bylaws were accepted. The change to the weigh-in process was tabled. In short, we should update the bylaws but need to enhance the wording. We need to be considerate of everyone's time and weigh-in promptly but as we all know the ramp situation can be tricky at times due to outside factors.

Awards were given.

## NEW BUSINESS

In January, we will be voting on the lake list for the year.

Also, the club will be fishing the Texas Bass Nation North Central Division. There are no conflicts with our TCBC schedule this year.

2-21 & 2-22 : Lake Travis & Lake Buchanan

3-22: Lake Limestone

5-2 & 5-3: Eagle Mountain Lake & Lake Limestone

6-14: Lake Texoma

10-3 & 10-4: Championship Lake Belton & Lake Stillhouse

### ► Next Meeting

Wednesday, January 7, 2026 (7p)  
@ Walk-Ons Grandscape

### ► Dues & Big Bass Side Pot

Remember to send Blake (Treasurer) \$30 (individual) / \$40 (Family) for annual dues. Anyone eligible for the Trophy Bass Side Pot should also plan to pay the \$20 for the year as well.

## 2026 OFFICERS

President: David Blackstock

Vice President: Jerry Young

Treasurer: Blake Deihl

Program Director: Arniel Brown

Affiliate Coordinator: DaShon Peck

Webmaster: Sam Murrary

## Arniel's Program Director Notes

Hi Fellow Anglers,

Remember if you have an unused baits that you need to clean out of your boat or garage they can be donated to the club for use as door prizes throughout the year.

Thanks,

Arniel

## DaShon's Affiliate Coordinator Notes

Hello Folks,

The B.A.S.S. Nation registration is now open.

The cost is \$30 per member for B.A.S.S. Nation, and an additional \$30 is required for anyone fishing the Texas BASS Nation (TBN) Club Division. Payments for both should be directed to Blake (Club Account) so we can register all interested members collectively.

We should also remind members that the TBN - Team division is available for \$30. Participants in this division are not required to be associated with a bass club and must register themselves directly on the TBN website.

All information (scheduling and registration) is available on the TBN Facebook page and the [TexasBassNation.Org](http://TexasBassNation.Org) website.

Thanks,

DaShon

## Jerry's Vice President Notes

Thanks to everyone who's reached out over the past few weeks with feedback. It's clear there's a lot of excitement heading into the upcoming season and a shared interest in continuing to make the club the best it can be.

One topic worth keeping on our radar (no action needed right now) is the timing of Classic lake selection. Many clubs and organizations finalize their schedules (including championship dates) well in advance. By selecting in October, we're often choosing from what's still available in terms of lodging. There are pros and cons to both earlier and later selection, but if the social aspect of the Classic (such as staying together at the same lodging and sharing a meal) is a priority, this may be something worth discussing down the road.
