The 2025 Texas Bass Nation season was a mixed bag: lake changes, golden algae blooms, lunkers and dinks. Overall, The Colony Bass Club represented well in the standings and had one advancement. Chris Demiglio will be moving on to the Super Regional tournament in the non-boater category.

Rounding out the non-boaters, Jordan Fudge took second place, Alonza Brown took third.

In the boater category, DaShon Peck took home second place, Jerry Miller came in fourth place.
