APRIL FOOLS!!

Teacher Appreciation Week May 3-9, 2026

We are asking for donations to help make a special Appreciation Luncheon one that will make our staff feel our gratitude for all they do that enhance the lives and the memories of our children.

See Crystal in the office.

FRIDAY OUTDOOR FUN DAY

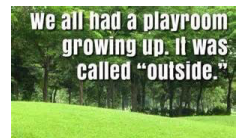

Sunlight energy governs our immune system and balances our brain's chemistry.

And so each Spring, as long as the perfect weather lasts, we simply take the classroom

outside each Friday. The easels, the sensory tables, the play

dough, the blocks and so on. If it can be done inside, why not take it outside when outside feels better.
