## Company profile

Modern Medical Technology Co. (MMT) is a leading regional supplier of high-quality medical equipment and innovative eHealth solutions. Established in 2011 in Qatar by a team of highly skilled professionals, MMT has been at the forefront of delivering advanced medical technologies and best-in-class healthcare solutions to both private and governmental sectors. With a commitment to quality, innovation, and customer satisfaction, MMT is dedicated to improving healthcare outcomes across the region.

### Objectives

MMT is committed to providing superior medical products, eHealth solutions, and comprehensive support services to its customers. Our key objectives include:

- Ensuring the efficient and timely delivery of medical supplies, equipment, and eHealth solutions.
- Collaborating with the Government of Qatar, national health organizations, and industry partners to support healthcare policies and services.
- Offering cost-effective, high-quality, and safe medical supplies.
- Providing technical expertise, training, and ongoing support to healthcare professionals.

### Our Motto:

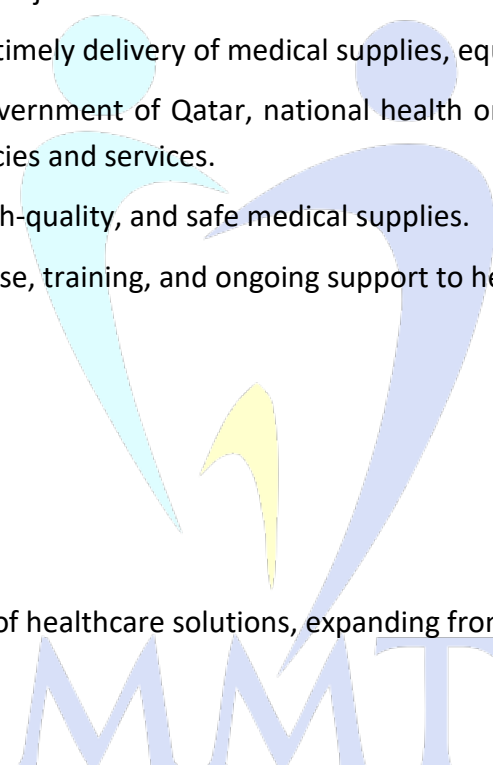

*Your Health is Our Service.*

### Our Vision:

To be a leading regional provider of healthcare solutions, expanding from Qatar to the broader Gulf region.

### Our Mission:

To enhance and support healthcare systems by supplying top-tier medical equipment and solutions to both government and private sectors. MMT aims to establish a strong market presence in Qatar before expanding to key Gulf markets, including Bahrain, Saudi Arabia, Kuwait, UAE, and Oman.

## MMT Services

MMT specializes in supplying a comprehensive range of medical products and eHealth solutions, including:

- Hospital Consumables – Essential daily medical supplies for healthcare facilities.
- Medical Equipment – From light to medium-range medical devices for clinical applications.
- eHealth Software Solutions – Cutting-edge clinical and diagnostic software tailored for modern healthcare facilities.
- Hospital Workflow Management Solutions – Enhancing operational efficiency in hospitals and clinics.
- Laboratory Software Solutions – Advanced digital solutions for seamless laboratory management.

## MMT Competitive Advantage

MMT stands out in the healthcare industry due to:

- o **Strategic Global Partnerships** – Ensuring access to premium products at competitive rates.
- o **Comprehensive Service Offering** – Including delivery, installation, training, and consultancy.
- o **Highly Competitive Pricing** – Providing cost-effective solutions without compromising quality.
- o **Premium Medical Brands** – Representing globally renowned healthcare manufacturers.
- o **Dedicated Technical Support** – Offering end-to-end assistance for optimal product performance.

## Principals
