

# Triaxial Weaving

Weaving fabric on 3 axis to create new shapes and designs.

## Supply list

Iron and pressing mat

Scissors

Long ruler with 30 degree marking (optional)

½ to 2/3 yard of 3 different fabrics.

1 small multicolored print or focus fabric

1 light to medium coordinating fabric

1 medium to dark coordination fabric

## Prior to class instructions:

1. Prewash and press fabric as desired before cutting strips.
2. Fabric needs to be cut into 2 inch width strips.
  - If you cut by width of fabric you will only need ½ yard.
  - If you cut along the salvage you will need 2/3 yard to insure your strips are long enough.
  - **DO NOT CUT STRIPS ON THE BIAS.**
