The **Connect Project Offering** is an opportunity for all our churches to work together to help a specific ministry or resource. We have a great history of “*joining our hands to strengthen His church*” through the many projects that have been accomplished over the years.

This year, the Connect Project Offering will support **Springs of Life Camp** in Andalusia, Spain. This is where FEBC-Supported Global Partners **Brian and Susanna Dick** serve.

This facility provides opportunities to share the Gospel through various camps and activities. They recently experienced a devastating flood, which destroyed their main meeting room and much of the equipment in it. The space will be completely refurbished, and additional storage space will be added that will better protect the room's equipment in the future.

The Project Offering goal is to raise **\$15,000 (USD)** to provide these needed upgrades. To give through our church, please mark your church offering envelope or eTransfer memo with “Connect25 Project Offering” and we will make sure it gets there.
