Hello from Spruce Manor!

We had an Amazing December Celebrating Jesus birth with our residents and families.

January has started off challenging as our home is in an outbreak but we are so thankful that our December activities were not impacted.

As many of you are aware our Director of Care (DOC) Cheryl has been on leave and continues to be on leave until December 2026. We wish her and her family well. Gwen has been covering much of the DOC duties as the assistant DOC however she has an amazing opportunity to volunteer with World Serve alongside her husband and therefore has resigned as Assistant DOC.

This is an amazing opportunity for Gwen and we are very excited for her. Gwen will continue to work as an RN Nurse from time to time casual in our home.

We are currently advertising for a Temp DOC to join our amazing team until Cheryl returns. If you know of someone who would be a good candidate, please ask them to forward their application to me as I am still accepting resumes. We ask you to keep our staff and home in your prayers as we work through the challenges before us.

“I can do all things through him who gives me strength”
Philippians 4:13
