AWANA **CUBBIES** is a two-year
weekly program for 3 & 4 year olds.

The Cubbies program brings out the best in parent-child relationships. By participating with your child in the Cubbies program, you'll take a positive step that will help your preschooler develop strong spiritual foundations and impact him or her for life.

Cubbies club is a positive, fun environment where preschoolers learn and grow. The fun includes an exciting Bible Story time and application, crafts and singing. Book Time is where your child will review the Bible verse you've helped him or her learn at home. Handbooks and other materials feature Scripture memorization that help preschoolers understand Bible truths. Play Time caps the evening, utilizing non-competitive games that are fun for preschoolers. Weekly club activities also include a snack.

Cubbie Parents

Here are a few things to be aware of:

Cubbies Time Schedule

Cubbies starts at 6:30 pm

Please do not drop your child off before 6:20 pm. as there may not be supervision for them. Cubbies ends at 7:45 pm. Please arrange to pick your child up at this time. Thank you!

Cubbies Vests are included in the registration fee and are awarded along with the handbook after your child finishes the entrance booklet received at registration.

As Cubbies work through their book they receive rewards which are placed on their vest. At the end of your child's two years in Cubbies you can take the vest home to keep.

There are more lessons in the handbook than we have time for in our "year", but if your child finishes the 20 lessons covered during this club year we consider this "finished" and will be rewarded accordingly.

Thank you for the opportunity to interact with your child through the Cubbies program. Cubbies is a part of the AWANA Program which seeks to teach children about the Bible through stories, games and memorizing Bible verses. It is a wonderful way to plant God's Word in their hearts at a young age. Not only does memorizing verses stay with them, but it also helps you, as parents, to learn verses, as you help them. Before your child's leader can give them their much-valued sticker, you must sign that you have gone over it with them.

Each week, each child does one section, called a **Bear Hug**, in their book. When they come to club, the story, playtime and book-time all focus on the Bear Hug section they have worked on the previous week at home. If they miss a lesson, we will help them catch up, so everyone is always on the same lesson each week.

Cubbies is a great time for your preschooler to have fun with their peers and a wonderful time to express Christ's love and a positive role model.

More Information

When & Where

Wednesday nights 6:30 – 7:45 pm
Langham Bible Church: 47 Fifth Ave
