AWANA SPARKS

is a three-year, weekly club program for children in Kindergarten - Grade 2.

Sparks is a positive, fun environment with a "flight" theme. Game-time starts off the evening with fun times. Sparkies sing, learn a Bible lesson, have a small snack, and break into small groups for Book Time. Here is when your child recites the verses they have been memorizing at home. We use the Sparks Essentials Handbooks which is a condensed version of the Awana main curriculum but still filled with Bible memory verses and fun activities. Each week clubbers work toward earning jewels for their "wings".

Our meeting room is up the main stairs in the foyer, but we begin each night with games so come straight to the gym each night to find us!

Parents

Thank you parents, for allowing us to be a part of your child's life. We ask that you partner with us!

The handbooks we use in our Sparks club are the "Essentials" version. This is an abridged version of the regular book that makes Sparks more accessible for a wider range of kids.

It helps us if you initial beside the verses your child has studied. This will make things run more smoothly each evening. Thanks in advance.

Also, are you willing to help out with our club evening? Maybe it would be by bringing a snack once during the year? Maybe you have a talent that you might like to share with us, like a craft, or a special story time?

We have *Bring a Friend* nights on the schedule but actually ANY night is Bring a Friend night! So feel free to do what works in your family.

If you have any questions, please feel free to call us. We would love to talk to you about how things are going.

Achievements

Sparkies earn a red vest achievement sheet once they complete the Flight 3:16 booklet (received at registration).

When clubbers complete the first portion in their particular handbook they will earn a Sparks emblem to go on their vest:

As they complete their book Sparkies receive up to 12 achievement jewels which are glued onto the pilot wings of their achievement sheet: Red and green jewels are awarded for completing the handbook sections. Blue jewels are awarded for club attendance. At the end of the club year your child will take the paper achievement vest home.

If this is your first time registering for our Kids Clubs you will receive a black Kids Club bag to carry your book, water bottle, etc.

We hope it will last throughout your years at club.
