Kadesh Corner

www.campkadesh.com

We are excited to run our first **Day Camp in the City** this week. This camp is for grades 1 – 5, Tuesday to Friday. Lakeview Church has provided the venue to create this new program during the February School Break. This is an opportunity to start developing day programming closer to the centers where many of our overnight campers come from. Day programming also creates space for younger children to be introduced to camp. Please pray for our staff, as many of these kids will hear the gospel for the first time.

One of the priorities of Camp Kadesh is to make the camp accessible to as many campers as possible, but cost can be a primary concern for parents and families when considering sending a child to camp. We work with families to ensure that every camper can attend at a price that works for them. In February we are looking to raise \$20,000 - the amount of money that we historically need to ensure every camper has the opportunity to attend Camp Kadesh. By raising these funds now, we ensure we can commit to each family the resources needed to subsidize the price of camp. To give, visit: <https://www.campkadesh.com/feb20000>.
