A detailed botanical illustration featuring a variety of orchids. On the left, a cluster of small, white flowers with yellow and red markings on their petals. In the center, a large orchid with broad, green leaves and a prominent, spotted yellow and brown flower. To the right, a tall, slender orchid with a long, thin stem and a large, spotted, reddish-brown flower. The background is a soft, muted green, suggesting a natural habitat. The word "COJINES" is overlaid in a large, white, serif font across the center of the image.

COJINES  
TERCIOPELO

An illustration of two kingfishers in a natural setting. The kingfisher in the upper right is perched on a branch, facing right with its long, sharp beak pointed upwards. It has a dark blue head, a bright yellow eye, and a reddish-brown breast. The kingfisher in the lower right is also facing right, with its beak slightly open. It has a dark blue head, a yellow eye, and a reddish-brown breast. The background features large green leaves and tall, thin grasses. The word "PRINTS" is overlaid in the center in a white, serif font.
