Other Key Initiatives of PRIME COMPUTER SOLUTIONS:-

- **Women Empowerment:** Provides free tailoring training for SC/ST women and those in poor, flood-prone regions, enabling them to earn an income and achieve financial independence.
- **Health Awareness Programs:** Organizes and facilitates health awareness programs, workshops, and camps for the community, focusing on various health issues and promoting healthy practices.
- **Agriculture Support:** Offers assistance to farmers through improved practices, plantation drives, and awareness about sustainable farming.
- **Child Marriage Prevention:** Conducts awareness campaigns in remote saar chapori areas to highlight the harmful effects of child marriage.
- **Elderly Care:** Provides financial and humanitarian support for old-age individuals living in flood-affected areas.

Through these initiatives, PRIME COMPUTER SOLUTIONS strengthens communities by combining livelihood opportunities with social awareness and humanitarian outreach.

Proposed Initiatives

To address this challenge, PRIME COMPUTER SOLUTIONS proposes to conduct the following initiatives in collaboration with the District Child Protection Unit, BTC:

- **Awareness Programs:** Organize awareness sessions on the Prohibition of Human trafficking, Child Marriage and related child protection issues.
- **Street Plays:** Performs street play to engage and educate the community on the issue in an accessible and memorable way.
- **Hoarding Displays:** Install hoardings in key locations to serve as a constant visual reminder of the campaign's message.
- **Poster and Leaflet Distribution:** Disseminate educational materials containing information about child marriage, child protection and child education.

2. Vision

PRIME COMPUTER SOLUTIONS's vision is to create sustainable livelihoods and uplift the socio-economic conditions of under privileged groups in remote and vulnerable areas, ensuring a more equitable and resilient society.

Methodology

- **PRIME COMPUTER SOLUTIONS** will implement the project through a natural easy to learn & skill based training approach:
- **Collaboration:** The project will be executed in a strong collaborative partnership with the different organization, ensuring support to earn money.
- **Targeted Approach:** Trainings will be focused on natural farming, home based production which are most easily available and adopted in areas with high ST and SC populations.
- **Multi-channel Communication:** The use of awareness programs, street plays, hoardings, and print materials will ensure the message reaches a broad audience through various media.
- **Participant Engagement:** The skill programs will actively involve community stakeholders including youth club members, SHG members, VDC members, Gaon Pradhan's, school teachers, students etc. to foster ownership and sustainability of the initiative.

Conclusion

These schemes reflect India's commitment to enhancing the skill set of its workforce, ensuring that individuals are equipped with the necessary skills to meet the demands of the job market.
