

GoodDog Payments & Fees

GoodDog buyers can pay for their puppy with any major credit or debit card, Apple Pay, Google Pay, or via ACH bank transfer. **GoodDog** offers an **optional** [1] **“Protection & Support” Fee** that varies based on the total payment amount, alongside [2] **Sales Tax** and [3] potentially a separate **“3.3% Processing” Fee** applies [but only if you pay with a credit or debit card].

- [1] **Optionality:** You can “opt out” of the **“Protection & Support” Fee** entirely, to pay only the puppy's price (plus the debit/credit card fee, if applicable).
- [2] **To avoid the “3.3% Processing” Fee:** Use a bank transfer (ACH) to pay directly from your bank account at no additional cost.
- [3] **Sales Tax For Puppy Deposits and Final Dog Payments:**
 - Sales tax is based on the puppy's pickup location [Petite Pups LLC is based in New York City].
 - The rate is automatically calculated based on current tax laws for that location.
