SA TRANSGLOBAL Sdn Bhd

Demand in logistics is driven by globalization, e-commerce growth, and supply chain optimization. Businesses rely on efficient transportation, warehousing, and delivery solutions to meet customer expectations, manage inventory, and reduce costs, making logistics a critical factor in operational success across industries.

SA Transglobal aims to offer **cost-efficient** storage and warehousing, chartering / leasing of marine assets and logistic solutions for air, sea and land to our Clients.

1

BUSINESS

FORMATION & SET UP

Incorporated in 2021, (formerly known as *SPEZ Marine Sdn Bhd*) the Company intended to commence its marine services in Oil and Gas industry.

In 2023, the Company was acquired by Synergetic Alliance Group, hence change of business name and re-alignment of its Business Strategic Planning.

Marketing Strategy and Business Planning

We deployed right teams and tools to develop a solid and water-tight business planning and strategies.

We constantly observe the changes in technologies and market dynamics to ensure we are always at the peak of our service level.

Business Alliances & Relationship

We collaborate and form working alliances with other services providers to ensure sufficient working resources at all-time, including but not limited to Trucking Services, Sea and Air Freight, Warehousing, Vessel Broking and Chartering, and Project Consultancy Services.

We maintained good relationship with our sub-contractors as well as Clients, to ensure smooth execution of work at site.

Financial Resources and Capitalisation

We always make ready sufficient working capital required for any project secured in order to ensure smooth-running of the project.

Our source of funding includes internal-Group funding, as well as third (3rd) parties financing.

HALIM Malek

Chief Executive Officer

Vast experience in Business and Financial Management. Fellow of ACCA and acting as Technical Advisory Partner to NWA CorporateHouse. Possess extensive Project Financial and Operational field-experiences in Engineering Services including offshore construction.

“Our **MISSION** is to simplify logistics challenges and deliver value-driven, sustainable, and reliable services worldwide.”

“Our **VISION** is to become trusted service providers and segment-leader in our operating segment through innovation, excellence, and customer-centric solutions.”

A STATEMENT FROM THE LEADER

WHO ARE WE?

SA Transglobal has undergone massive business restructuring and transformation exercise in recent years, resulted to more industrial-driven and focus in our service provisions, especially in our service offerings.

The Company has established 5 key business operating segments:

1. Freight Forwarding and Warehousing
2. Land Transportation and Heavy Lift
3. Broking and Technical Services – FPSO / FSO
4. Vessel Chartering and Acquisition Services
5. Auto Parts Supplies and General Insurances

We have charted a clear 5-year road map towards achieving our Vision and Mission setforth, hence key milestones of the business processes.

Key milestone

- Develop key management personnel
- Upskill project executers and manpower
- Acquisition of logistic assets
- Business alliance and consortium
- Business principals and business (financial) recapitalisation

MEET OUR KEY MEMBERS OF OPERATION TEAM

In SA Transglobal, we believed in the principles of Human Capital Development, hence getting a **Right-Person for a Right-Position** is very critical to ensure timely and quality delivery of projects and assignments.

We invested in Continuous Personal Development (CPD) for our key members in order to ensure the Company is always getting the best information, technology and knowledge available in the market. **Our key-management contributed to more than 50-years cumulative working experience.**

MALIA Ismail

Project Cost Controller

Vast experience in Business Management. Former Accountant in PLCs, with extensive Project Financial and Operational field-experiences in Project Engineering Services.

FADLY Mohamed

Operation Director

More than 20 years with vast experiences involving supervisory role in general management, process efficiency optimisation, quality control, trouble shooting and team coordination.

AZLY Yusof

Operation Coordinator

More than 30 years with vast entrepreneurship and field work experience in various industries including logistical support and telecommunications.

VIJA R. Joseph

Administrator

Graduate Psychologist with experiences in People, Crisis and Customer Management. Assisting the Operation Director and Project Cost Controller in day-to-day operation.

OUR SERVICES...

LET US PROVIDE YOU WITH TIMELY AND QUALITY SERVICE DELIVERIES

“Innovation distinguishes between a leader and a follower. Do not follow where the path may lead.

Freight Forwarding Services

We offer reliable and flexible freight solutions across air, ocean and land, providing global connectivity and efficient goods transportation.

Our international freight activity is supported by our collaborating partner – BLUEWATER LOGISTIC.

Warehousing and Distribution

Our warehousing (bonded and unbonded) and distribution solutions ensure your inventory and project assets are stored safely and delivered efficiently, tailored to your business needs.

Custom Clearances and Compliances

Via our business alliances, we are able to provide services related to Custom Clearances for Goods inward and outward.

Our services cover both East and West Malaysia.

Marine Asset Brokerage Services

We provide chartering and acquisition advisory services for marine assets.

We work with our consortium partner – AXIS EP Ltd, in providing broking services for FPSO and FSO for Oil and Gas Industry, globally.

We believed that continuous development and upskilling of our workforces as one of the key contributor to our success. We never settled for good, hence keep looking for new **INNOVATIONS**, challenges and opportunities for growth.

5

CLIENTS' REVIEWS

Up to 4th Quarter, 2024 (key projects only)

The amount of technology in buildings and homes is rapidly growing and changing. The most significant change is that everything is now on the network: audio, video, voice, data, lighting, security, digital signage, Building Management Systems (BMS), shades, and heating & cooling systems.

MSA Resources

Procurement, Construction, Installation and Commissioning of telecommunication backbone-infrastructure, including installation and commissioning of FO cable along the PLUS Highway, Malaysia.

Status: Completed, Ongoing (few packages already FAC)

YTL Communications

Procurement and installation of FO cable (replacement program) in Central Region (Sentul East and West) via micro trenching method.

Status: Completed, Ongoing

ReneuCo Bhd – Quartet Engineering

Survey, re-instatement and installation and commissioning of Over-head Fibre Optics (FO) cables and communication system for 33 kilometers at Kota Marudu Mini-hydro Power Plant, Sabah.

Status: On-going

TIME dot Com – VTage Engineering

Supply and construction of New Civil & Fibre Optics Infrastructure for JINGGA Project in Penang.

Status: Completed 2016.

Fenomena Maju Kaya

Provision of Project Management Team (PMT) in relation to Tender Preparation, Cost Control, Contract Negotiation and Project Execution – Site Survey and Pre-mobilisation activities.

Status: Completed 2022.

6

PROJECT ASSETS

Commitment

We are in the process of finalising Sales and Purchase Agreement with foreign suppliers, for the supply of additional 7 units of mini **Excavators** and 1 unit of 5 tonne **Lorry Crane**.

7

MANPOWER STENGTH

Commitment

We are able to make ready and provide manpower supply >150 experienced and fully equipped workforces per project, depending on the requirement on-site.
