

ERA IP

STUDIO TELEPROMPTER

Introducing ERA IP Studio Teleprompter, a versatile solution available in 17"-19"-21"-24" sizes tailored for Broadcast and News Studios. With 17" and 19" options providing a 4:3 aspect ratio, and 21" and 24" offering a widescreen 16:9 ratio, this teleprompter ensures a diverse range of visual possibilities. Equipped with SDI, HDMI, Composite (BNC), VGA inputs, and the added convenience of NDI/IP capability, ERA IP Studio Teleprompter meets the dynamic needs of modern broadcasting. It also has optional software. Furthermore, catering to varying lighting conditions, each model offers different brightness levels. The 17" and 19" models have a brightness at 250 cd/m², the 21" boasts a brighter 300 cd/m², and the 24" impresses with 550 cd/m² brightness. For those seeking an even higher brightness, the High Brightness (HB) option allows each model to reach an impressive 1000 cd/m², ensuring optimal visibility in any studio setting.

Setting up is a breeze, and the 'flip mirror' function automatically provides a reverse view, enhancing user convenience. Designed to seamlessly integrate with professional shoulder-type ENG and studio cameras, the ergonomic design also allows for reduced counterbalance, ensuring a smoother and more comfortable user experience. Elevate your broadcasting setup with ERA IP Studio Teleprompter, where functionality meets user-friendly design for unparalleled performance in the studio environment.

INCLUDED IN THE PACKAGE

- LCD Prompter Monitor
- Teleprompter Hood
- 70/30 Teleprompter Glass
- Professional Quick Release Plate
