

PRO173UHD

Fortinge presents PRO173UHD to offer a strong 4K monitoring solution for broadcasting, cinema and CCTV. Desktop and rackmount kits are included to use in various fields. **VESA mount ready!**

It offers a perfect “**price – performance**” match. Thanks to its 17.3” panel and 3840x2160 resolution, the real 4K video quality is achieved at the right aspect. All functions can be controlled by its adjustable & functional buttons. PRO173UHD is packed with its standard rackmount kit. As an option, it is offered with desktop and field-use stand. V-mount battery is especially provided for outdoor use.
