

Compact & High Capacity

ZEN-C150G

IDX introduces the first IDX branded Three Stud Mount product line, the ZENITH Series. The **ZEN-C150G** addresses the market needs for a replacement three stud battery. High capacity **145Wh**. Power taps like those found in the DUO Series for powering accessories. Newly added USB-C PD port for two-way power and charging when used with the new **UC-PD1** compact charger. Cube style for use with cinema cameras. In the world we live and work in today, an antiviral and antimicrobial body for hygienic peace of mind.
