

Spring 2025 Newsletter

The first few months of the New Year have been wonderful! I am so excited to share with you several extraordinary ministries we have been able to help.

MEET MARCO AND MARY ALONG WITH THEIR FOUR CHILDREN.

They knew they were called to share the gospel. We provided the Furniture, Bibles, and Supplies needed to get their mission started in their home in Yuma. Please read their letter of intent below.

To Whom It May Concern,

I hope this letter finds you well. My name is Marco Perez, and my wife's name is Mary Perez. We attend church at Full Gospel Lighthouse, where we serve as the children's pastors. I am currently attending Liberty University, working toward my bachelor's degree in Evangelism. We are excited about everything God has planned for 2025! This year, we will be starting a home ministry. God has blessed us with a new home where many people can gather to worship and praise Him.

We are looking forward to seeing many souls saved, as well as witnessing people healed and delivered. The name of our ministry is Rekindling Ministries. The purpose of this ministry is to win souls for the kingdom (Mark 16:15) and to rekindle the fire of fellow believers, so they may walk in their God-given identity and authority (Revelation 2:4-5). Our desire is for the ministry to meet in our home on Saturday evenings and to demonstrate the love of Jesus beyond the four walls of the church. We look forward to the discipleship that will take place (Matthew 28:19-20).

We are currently facing a hindrance due to a lack of furniture for people to sit on. This is the final need before we can begin. At this time, we do not have any living room or dining room furniture. The harvest is ripe, and we are eager to get started!

Thank you for taking the time to consider helping us overcome this hindrance. We deeply appreciate your support and welcome any prayers as we take this next step!

Sincerely,
Marco Perez

MEET ALYSSA AN EVANGELIST ON THE ASU CAMPUS!

Alyssa was raised in a Christian home but didn't accept Christ until she had an ASU student approach her on campus. I heard the passion for the gospel in her voice as she shared how vital it is to reach young women. She is raising support to be a full-time missionary at ASU. We assisted with Bibles, Bookmarkers, Bible Tabs, and Highlighters for the Bible Study she is a part of. Read her letter below:

Dear Julia Mckernan,

I am a campus evangelist with Foundations Church in Tempe AZ. We are a small campus ministry that preaches the Gospel at ASU. One of our main ways to reach college students is through group and one on one Bible studies. Many people do not have physical Bibles, and having access to the word of God will impact their lives and encourage them to get off of their phones. Having access to more Bibles will help these students have the opportunity to see the living word of God on a physical page come to life before them and see the truth of who Jesus is and His power.

Sincerely,

Alyssa Ashworth
