ARIZONA MISSION CENTER

November 15, 2025

Dear Arizona Mission Center,

For more than a year now, we in Community of Christ have been focusing on hope. Our most recent World Conference was a special moment in the life of the church, both with the ordination of Stassi Cramm as our President/Prophet, and with the spirit of collegiality and unity that filled the halls, sanctuaries, gathering spaces, and even the conference chamber. New doors of hope opened and many stepped through with a sacred yes. As I've traveled around the church in the days, weeks and months since the conference, I have sensed a spreading of that new hope.

Even as I remember the conference with fondness and look to the future with great hope, I realize that there are some who continue to carry the burden of concern and weariness for the church and its future. For those of us who have witnessed the aging and shrinking of our congregations, the seemingly endless calls for increased generosity, and the sadness of loss from the passing of loved ones to the loss of sacred spaces, hope seems limited at best. Honestly, I find there are times when hope is hard to find or even imagine when I am caught up in similar circumstances and surroundings, often doing the same things. However, I find that when I have the opportunity to travel to new places and build new relationships with new people ... when I get to just sit and listen to the stories of our older members and friends ... or when I spend time engaging the unfiltered imaginations of children and youth, hope is often reignited.

Such has been the case with my new responsibilities with you, the people of the Arizona Mission Center. For some of you, it feels like the same old thing, but for me, I see new things being attempted, opportunities being explored, invitations being shared, people being fed, needs being met, and yes, campgrounds being raised from literal ashes by a group of committed, loving people. I know there are uncertainties that come with new leadership and difficult conversations, but there is no doubt in my mind that the Spirit is present and will lead us in the ways that God has planned for us... "plans for [our] welfare and not for harm, to give [us] a future with hope." (Jer 29:11b)

Though my home is far from Arizona, a part of my heart is here with you, and I will journey with you as your companion and friend, advocating on your behalf, and empowering you to continue to make Christ's mission a reality in the places you live and serve. Thank you for being you, and for letting me journey with you.

Blessings,

Blake J. Smith

"Let's be honest about where we are: We are not yet what God needs us to be. But we are moving in the right direction ... We are learning to go deeper in creating God's kingdom on earth as it is in heaven as we live God's will. Everyone matters. Everyone is needed to write this next chapter of our collective story. So rather than worry, "What if we get it wrong?" let's dare to live in the hope of "What if we get it right?""

Youth Leadership Team Report

Arizona Mission Center – September 2024 – August 2025

In the spirit of community and connection, our Youth Leadership Team continues to focus on creating spaces where our young people — and their families — can grow in faith, friendship, and fun. It's been a year full of laughter, learning, and a few challenges along the way, but above all, we are grateful for the joy that comes from journeying together.

This past year, we were blessed to partner closely with the Invitational Ministries Team to help promote and participate in several all-ages Mission Center gatherings. Events such as Creepy Campground in October 2024 (86 participants), Hot Air Balloons in January 2025 (34 participants), and Eggapalooza in April 2025 (56 participants) brought together families, friends, and new faces from across Arizona. These weekends reminded us that youth ministry doesn't just happen in isolated spaces — it flourishes when generations come together in shared experiences of joy, service, and invitation. In 2026, the youth ministry team plans to continue to work closely with the Invitational Ministries Team to promote all age family events and ensure youth are welcomed to these fun events and invited to all other events hosted by our mission center. It is important to keep in touch with all families throughout the year. Additionally, we hope that as youth age out of the under 18 age group, they can be incorporated into the young adult ministries with ease and by partnering with the Invitational Ministries Team we believe this is possible.

Our youth-only camps also provided incredible opportunities for spiritual growth and leadership development. We were excited to collaborate with several neighboring Mission Centers to make these events possible. Junior Camp (18 campers) and Junior High/Senior High Camp (35 campers) were offered in partnership with Pacific Southwest International (PSI), Rio Grande, and Rocky Mountains Mission Centers, giving our youth a broader community of peers and leaders to learn alongside. SPEC (7 campers from AZ), as always, was held in collaboration with PSI and Sierra Pacific (SPMC) forming "Calizonia", and Zion Camping Trip was another wonderful joint event with PSI and SPMC. This year the Junior Camp and Junior High/Senior High Camp were both hosted at Whispering Pines. These shared experiences remind us that the Spirit knows no boundaries — our youth thrive when they connect with others across the wider church. The plan is to continue to collaborate with multiple mission centers in the future for youth activities. Next year's Junior High/Senior High Camp will be held at Buckhorn with all mission centers planning to send youth again.

Additional activities hosted by the Youth Leadership Team included Waterpark Day in September 2024 (27 participants), Mission Center Conference Sharing in November 2024 (20 participants), Show Low Retreat in May 2025 (4 participants) and Aloha Retreat (18 participants).

While some events this year — such as the February Youth Retreat and March Tucson Retreat — were cancelled due to logistical challenges, these pauses gave us time to reflect and reimagine how best to meet the needs of our youth and families in the future. We still hope to host at least one event a month in 2026 that our youth can attend to find connections and safe space. Please look out for the schedule to be released soon!

We are so thankful for the directors, counselors, parents, and volunteers from every congregation who pour their hearts into this ministry. Your creativity, dedication, and love make all the difference. We hope to continue growing our volunteer base in 2026 so please let the Youth Leadership Team know if you would like to be involved somehow and we will find you an appropriate role or reach out to you when there are additional needs!

Looking forward, our Youth Leadership Team is eager to continue building on our strong partnerships — both within Arizona and across neighboring Mission Centers. Together, we're developing new ways to bring families and youth together through monthly activities centered on community, invitation, and faith.

We are proud of the progress made this year and grateful for the continued financial support and spiritual support through prayers of our Mission Center youth and youth volunteers.

Invitation Ministry Report

Arizona Mission Center

In my youth and young Priesthood days, the spirit of converting people to the RLDS Church was paramount in everything we did. Somehow, we needed to convince people that their faith journey was somewhat flawed and the "we" had the correct pathway. Thankfully, that has been changing over the last 40 years. Frankly, many of us were uncomfortable with that message and a new energy of "invitation" has emerged over the last decade. It is that spirit of Invitation that I am writing this report.

During 2025, we continued to build on the momentum of the past several years.

Mary and Chad Jendrey continue to focus their ministry into "I-Help" and homeless ministry. With Chandler as a Host Congregation, we are sponsoring several overnight stays per month, with meals provided and mana bags produced. I-Help is an organization that assists the "working homeless" and provides these people in getting re-established. Mary and Chad are assisted by Diana and Dick Hansen, Diana and Mike Piedmonte, Megan Austin and many others throughout the Mission Center. We can not thank Chandler enough for their facility and willingness to provide shelter for these individuals. Mary and Chad will continue to visit each of our congregations in the coming year to ask for specific donations and create additional mana bags.

In the spirit of Invitation, we continued our traditional weekend retreats of Eggapalooza and Creepy Campground. Eggapalooza was led by Bren Williams and Creepy Campground was led by Chrissie Uhrlich. Both did an incredible job in leading these weekends! Kevin Harper was instrumental in creating space for each retreat and is our Whispering Pines liaison. Our Steering Committee for both retreats including those already mentioned and, Paul Williams, Robyn Harper, Mary and Chad Jendrey, Amber Pope, Haley Austin, Kristi Terauchi, Caitlyn Rywant and Galen Worthington. In our most recent Creepy Campground retreat, we had 90 participants with close to 40% being under the age of 18 and close to 25% of the adults were non-members or rarely attenders on Sunday mornings. Among the spooky activities, we included Trunk or Treat, a Costume contest, a chili cookoff competition and a Halloween themed Carnival/Hayride/Hike. Both weekend events were incredible successes. In 2026, we are again planning these weekend events and addition we are looking into the possibility of an Earth Day event in April. It will not be designed as a work weekend but instead a concentration on a "pollinator garden" with native plants. We will also be clearing out some brush for "firewise" protection around our Campgrounds. These three weekends are now on our Mission Center calendar.

In 2025, the Invitation Team started working closer with our Youth Team. We will continue to work together in the coming year. This past year we also hosted Travis Rees, our Western Field Young Adult leader. He was able to meet with five Arizona young adults and began creating a framework for future outreach into this area of need. Young adults are our adults

between the ages of 18-35. In this age group, we have identified a few subcategories. In addition, we are looking into bringing back "urban picnics" and I will continue to work on some outreach ideas through the lens of invitation. All ideas are welcome and please contact me with your ideas. Thank you to our Mission Center members who continue these paths of invitation through time, talent, energy and contributions.

Whispering Pines Campgrounds Annual Report 2025

2025 has been a transformational year for Whispering Pines. In March we welcomed Noah and Caitlyn and their 4 children. They are volunteering as camp caretakers in exchange for lodging, utilities and the occasional meal when camps are in session. Noah works full time in Prescott as a plumber, so his skills in this profession come in handy for WP when we have those issues come up. Caitlyn, Noah and family have done a great job in keeping WP welcoming and clean for our guests. 2025 saw the departure of Suzy Bradley and Michael and Savannah Niesman. We are grateful for their presence at Whispering Pines during their time there.

WP hosted Eggapalooza, which ended up being the last event without our commercial kitchen. Whispering Pines completed our first summer season with the completed restoration of our Dining Hall and the re-utilization of our 2nd Deluxe Cabin. Jr Camp, Jr High and Sr High camp were at WP as a "Super Camp", which included mission centers from Texas, New Mexico, Colorado and California. CofC Reunion was cut short due to some exciting, but uninvited guests. Reunion was only a couple of days as we had a couple of bears getting a little too close for comfort. AZ Game and Fish were called and one of the bears was tranquilized and relocated over 100 miles away. After another unwanted visit, AZ Game and Fish were called again and a 2nd bear was relocated. Thankfully, no other bear encounters have been reported.

WP continues to expand our guest list and the word is getting out to our camp loving friends. We hosted a couple of new groups and had one group that wants to reserve a spot at WP for the next 5 years! Creepy Campground continues to be a success as we had 90 participants in Oct. I'm happy to report a net profit for 2025, and we even have a friends' group there this weekend to add to that profit. What a blessing Whispering Pines has been in this ministry of the church. Campground ministry and community outreach is vital for Community of Christ.

2025 has been a great year as our campground is finally whole after 4 years. It was a happy day when the completion paperwork was signed! WP was able to purchase new round tables for the Dining Hall and 100 chairs. So, we now have 150 chairs available in both the DH and the chapel/fellowship hall. We advertise 150+ beds for groups, so these purchases are welcome as we will not have to move tables and chairs back and forth between the two areas.

A goal for 2026 is to have some sort of event every month of the year, whether that's a retreat, a work weekend or a day event. Our schedule to complete this goal is looking good so far. We ask for your continued support and participation throughout the year and invite your ideas and invitation for future retreats/events. Your generosity in the past, present and future is a blessing to the church and the campground's mission.

We are actively looking for someone who would enjoy being at WP in their own RV to assist Caitlyn and Noah for the summer of 2026. Please send anyone our way for consideration.

Sincerely,
The Whispering Pines Board

RE: 2024 Audit of Whispering Pines Development

Dear Kathy,

I have reviewed the bank statements, bank reports, balance sheet and profit & loss statements for Whispering Pines Development as of December 31 , 2024 and the related statements of revenue and expenditures for the year ended 2024.

Based on my review, I feel the financial statements referred to above present fairly the position of Whispering Pines Development as of December 31 , 2024, and the results of its operations for the year.

My suggestions to add to your file for 2024 and future years would be:

- All deposit slips including the source of the deposit
- Copy of an Approved Budget
- All duplicate check copies

It's worthy to note that 2024 represented an atypical year due to a fire in 2021 which caused the loss of the kitchen, showers, restrooms and bunk housing. After a lengthy insurance, legal, and bidding timeframe, a large part of the rebuild was expensed in 2024 and is reflected in these financials.

Respectfully submitted,

Diana Piedimonte

Arizona Mission Center Financial Report for 2025

Oct 28, 2025

The generosity of our mission center is amazing. I'm pleased to report that the "A Time to Act" message was met with a generous gift of \$18,500 to Worldwide Mission Tithes (WWT) from the Mission Center and Congregations. It is proposed that the Mission Center and Congregations again support the WWT with a combined generous gift of \$25,000 in 2026.

The Mission Center completed its Bridge of Hope contribution of \$300,000 at the end of 2024. There are currently no restrictions on the availability of the Investment Pool. The fiscal year 2024 audit reports are included, with no adjustments noted by the auditor.

The attached report provides an overview of the Arizona Mission Center's financial activities and budget for fiscal year 2025, detailing income, expenditures, and the overall financial position.

The proposed budget for 2026 is structured to facilitate ongoing activities in Youth Ministries and Invitation Ministries within the Mission Center. Congregation support is projected to remain consistent, as it has over the past three years. A transfer of 1.3% from AIP Pool A is planned to help fund 2026 expenses, maintaining the allocation below Net Earnings and retaining the principal.

Net earnings for Pool A are 9% through September 30, 2025, with a projected annual rate of 7%. All congregations are encouraged to use this managed investment. World Church Policy requires accounts over \$100,000 to be invested in Pool A or B.

A key focus for 2026 and beyond is expanding activities for youth and young adults. Invitation Ministries (Kyle Harper) and the Youth Ministry Team (Shelby Williams) are coordinating inclusive events. The Mission Center Budget supports these programs, ensuring cost is not a barrier to participation.

Let's work together to involve youth and young adults in our church's future.

Respectfully submitted,

Donald Woster

CHRIST'S MISSION. OUR MISSION.

INTERNAL FINANCIAL STATEMENT & PROCEDURES INSPECTION REPORT

Mission Center Presidency and Conference
Arizona Mission Center
Community of Christ

The financial records of the Arizona Mission Center for the year ended 2024 have been inspected applying certain procedures, as described below, the purpose of which is to assist in evaluating the effectiveness of the internal controls and in identifying any areas in which the accounting functions might not have captured all of the significant financial data. Additionally, these procedures are intended to meet the "audit" function required by the Presiding Bishopric's policies. This report is intended solely for the use of members of the Arizona Mission Center and the World Church Presiding Bishopric, and it should not be distributed to anyone who is not associated through these bodies.

We are required to be independent of the Arizona Mission Center and to meet our other ethical responsibilities related to this inspection. Among the procedures conducted were the following: 1) Confirmation of cash balances and investment balances, 2) Inspection of all asset, liability, and equity accounts as recorded in the general ledger, 3) Traced transactions through the year pertaining to cash receipts, disbursements and journal entries including examination of appropriate supporting documentation.

In all material respects, receipts and disbursements have been recorded and administered in accordance with appropriate accounting practices and approved budgets with no material misstatements noted. The accompanying statements present fairly the agreed-upon financial procedures inspected and the results of its operations and changes in fund balances of the Arizona Mission Center as of Year 2024.
