

## Logos University Configurable Program Fee Structures

At Logos University, we offer an affordable fee that includes high-quality asynchronous learning materials, carefully selected reference articles, and detailed guidelines for writing the *Knowledge Curation Methodology*. However, we recognize the importance of live instruction and direct contact with faculty for student success.

With our configurable program fee structure, you can customize your academic experience by accessing one-on-one mentoring, personalized instruction, and direct interaction with our renowned faculty. These benefits are available in differentiated packages tailored to your educational needs and goals.

Don't miss out on this unique opportunity to elevate your education, deepen your knowledge, and receive expert guidance to reach your full potential.

**Please note:** Configurable program fees are in addition to the regular program fee. Check out the available options:

- €500: 10 hours of mentoring and personalized interaction with faculty
