Volunteer and Service Experience

- DanceBlue Pediatric Oncology/Hematology Clinic I am currently a volunteer at the DanceBlue clinic where we go and hang out with the children and families actively receiving cancer treatment or going through the hematology specialty. We play games, read books, watch movies, and so much more with the kids and families alike to give a moment of distraction and fun. I have gotten to work with kids ages two years old to twenty-two years which has led to a variety of experiences across all ages. (2020-Present)
- Kids Cancer Alliance summer camp, 768 hours, I am presently a sitting member on the board for camp logistics and operations. I was a camp counselor here with 9 awesome campers in my cabin. I am in charge of getting these guys where they need to be according to schedule, ensuring camper safety, and ultimately making their experience wholesome. (2022-present)
- Ronald McDonald House, 22 hours, I brought my fraternity to the Ronald McDonald House where we would prepare and provide meals for the families staying there. The Ronald McDonald House was for families who had children receiving treatment at the Kentucky Children's Hospital and could not afford the cost of staying in a hotel or traveling back and forth. (2022-Present)
- Out of the Darkness Walk for Suicide Prevention, 15 hours, annual walk/fundraiser hosted to raise awareness for mental health (2022)
- Leo's Club, Includes over 700 hours of Community Service (2016-2020)
- REACH Program, After School program for children in need, Founder (2019-2020)
