ABOUT US

FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT is a wholly Saudi-owned company specializing in general contracting and construction services. Our expertise spans across industrial civil construction, road construction, general maintenance, mechanical and engineering services, project support, equipment rental, supply of industrial materials, skilled manpower provision, and transportation.

With a strong technical foundation and extensive industry experience, we offer comprehensive solutions in construction, steel erection, and operation and maintenance. Our team consists of highly skilled engineers, technicians, and workers dedicated to delivering high-quality services tailored to client needs. We take pride in our commitment to reliability, ensuring timely project execution while maintaining the highest standards of quality and efficiency.

At **FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT**, safety and environmental responsibility are at the core of our operations. Our strict adherence to safety protocols ensures the well-being of our employees, clients, and project sites. We believe that maintaining superior QA/QC standards is essential for the successful completion of any project.

Our goal is to build a strong reputation by delivering excellence, fostering long-term partnerships, and exceeding client expectations. Through continuous growth and dedication, **FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT** remains committed to providing innovative and reliable contracting solutions across various sectors.

Our services

WE BUILD CONSTRUCTION SERVICE

Construction & Engineering

FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT provides a wide range of construction and engineering services, covering plant process, mechanical, electrical, piping, instrumentation, structural works, erection, road construction, and civil projects.

We are dedicated to serving industries involved in industrial processes such as machinery and procurement. Our expertise includes process engineering, detailed engineering, tank and pressure vessel design, and pipeline design, ensuring high-quality solutions for complex industrial needs.

Project Construction Management

FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT can undertake complete construction projects from concept to completion. We support various industries with comprehensive project management services, including procurement, material supply, construction supervision, and commissioning. Our team of highly qualified engineers and technicians follows international standards, ensuring efficient and reliable project execution.

- **Project Management**
- **Project Plan**
- **Material Approval**
- **Material Procurement**
- **Expediting**
- **Execution**
- **Safety**
- **Commissioning & Testing**

The first and foremost step in any project execution is the project management. It is therefore important to get the client's requirements and specifications procurement of material is one of the most important steps in the project execution work. Highly experienced purchasing officer will after be getting approval of client, and procure the required material in phased manner and ensure that right quality material is available at the work place at right time. Moreover, our trading division has expertise in purchasing and expediting material on time. Material controller will also working close cooperation with quality control engineer and planning engineers. The construction wing and project scheduler shall pull the materials needed at site and arrange the procurement on time. Our expertise executing team is well capable to execute and complete the project in stipulated time complying safety and quality standards. Overall, every endeavor is made to ensure timely execution of the projects meeting the customer expectations.

EQUIPMENT RENTAL SERVICES

FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT is one of the leading equipment rental companies in the Kingdom of Saudi Arabia. As the construction industry continues to expand across various markets, our equipment rental services have played a key role in supporting some of the most ambitious projects in the region.

We operate as a trusted supplier of top-quality equipment, serving many of the most recognized names in the construction industry. Our extensive fleet of machinery, combined with unmatched backup services, ensures that we meet the evolving needs of our clients with reliability and efficiency.

Additionally, we cater to the oil and gas sector by providing specialized rental equipment to support its growing demands. As this industry has expanded, we have continuously invested in high-quality plant and machinery to keep pace with market requirements. Our rental services include both certified and uncertified equipment, allowing us to accommodate diverse project needs.

Pre- Commissioning & Commissioning

FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT ensures quality and compliance throughout the construction, installation, and commissioning phases, which are critical to the success of any project.

Our highly trained team is committed to meeting the requirements for pre-commissioning and commissioning services across various industries, including oil and gas, petrochemical, power, and mining. We understand that proper commissioning goes beyond testing and verification—it must begin early in the project and continue through to a seamless handover to the operations and maintenance team.

With a focus on efficiency, safety, and reliability, we ensure that all systems are fully operational and meet industry standards before final deployment.

MANPOWER SUPPLY

Manpower is the backbone of every industry. In today's rapidly evolving industrial landscape, businesses must maintain a steady pace to stay competitive. At **FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT**, we provide top-quality manpower services, including staffing solutions, industrial labor, security services, and industrial material supply, at competitive industry rates.

OUR SKILLED MANPOWER SUPPLY INCLUDES:

✓ Engineers

- Mechanical Engineers
- Piping Engineers
- HVAC Engineers
- Civil Engineers
- Instrumentation Engineers
- Coating QC Inspectors
- Electrical Engineers
- Material Engineers
- Computer Engineers
- QA/QC Engineers
- Construction Engineers
- Safety Engineers

✓ Supervisors & Foremen

- Foreman-Civil
- Foreman-Mechanical
- Foreman-Electrical
- Lifting Supervisor
- Steel Structure Supervisors
- Piping Supervisors & Foremen
- Mechanical Supervisors & Foremen
- HVAC Supervisors & Foremen
- Civil Supervisors & Foremen
- Instrumentation Supervisors & Foremen
- Electrical Supervisors & Foremen
- Millwright Technicians & Foremen
- Scaffolding Supervisors & Foremen (TUV Certified)
- Pre-Commissioning Supervisors
- Commissioning Supervisors

✓ Operators

- Ramming Machine Operator
- Boom Truck Driver
- Tractor Driver
- Crane Operators
- Forklift Operators
- Mobile Crane Operators
- Excavator Operators
- Backhoe Operators
- Grader Operators
- Loader Operators
- Rough Terrain Crane Operators

✓ Helpers & Labour

- Plumber Helper
- Electrician Helper
- Scaffolder Helper
- Draftsman Helper
- Mason Helper
- Carpenter Helper
- Steel Fixer Helper
- Painter Helper
- Rigger Helper
- Welder Helper
- Piping Fabricator Helper
- Mechanical Fitter Helper
- Electrical-Technician Helper
- Mechanical Engineer Helper
- Piping Engineer Helper

✓ Electromechanical Workforce

- Electrical-Technician
- Mechanical Technician
- Testing & Commissioning Technician
- Mechanical Fitter
- Diesel Mechanic
- Welder
- Scaffolding Inspector
- Welding Inspectors
- Instrument Technicians
- Millwright Technicians
- TIG Welders (SS/CS)
- MIG Welders
- 6G Welders
- Structural Fabricators
- Piping Fabricators

✓ Administrative Staff

- Executive Secretaries
- Data Entry Operators
- Document Controllers
- Office Boys
- Administrative Assistants
- Computer Operators
- AutoCAD Technicians (Civil & Mechanical)
- Permit Receivers
- Time Keepers
- Janitors
- Telephone Operators
- Office Drivers

✓ Civil Workforce

- Plumbers
- Electricians
- Scaffolders
- Draftsmen
- Masons
- Carpenter
- Steel Fixer
- Painter

✓ Riggers

- Rigger-III
- Rigger-II
- Rigger-2 LEVEL

Heavy Equipment Rental

LOOKING TO RENT EQUIPMENT FOR YOUR NEXT PROJECT? FARISAWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT HAS GOT YOU COVERED! OUR RENTAL ADVISORS ARE HERE TO GUIDE YOU EVERY STEP OF THE WAY, ENSURING A CONVENIENT AND HASSLE-FREE PROCESS. WE OFFER A WIDE RANGE OF HEAVY EQUIPMENT TO MEET YOUR PROJECT NEEDS, ALONG WITH FLEXIBLE HAULING CHARGES TO MAKE YOUR EXPERIENCE SEAMLESS.

POWER RENTAL SERVICES

- GENERATORS
- AIR COMPRESSORS
- TOWER LIGHTS
- HYDRO JETTING MACHINES

Power Rental

- Generator
- Air Compressors
- Tower Light
- Hydro Jetting

LEASING HEAVY EQUIPMENT AND MACHINERY CAN OFTEN BE COMPLEX AND EXPENSIVE, BUT WE MAKE IT EASY AND AFFORDABLE. WE PROVIDE MARKET-COMPETITIVE RENTAL SOLUTIONS WITH A FOCUS ON QUALITY, RELIABILITY, AND COST-EFFICIENCY. WHEN IT COMES TO EQUIPMENT, THERE IS ABSOLUTELY NO SUBSTITUTE FOR QUALITY—AND THAT'S EXACTLY WHAT WE DELIVER!

LIST OF HEAVY EQUIPMENT AVAILABLE FOR RENT

- | | |
|--------------------|--------------------------|
| • MOBILE CRANE | • FORKLIFT |
| • CRAWLER CRANE | • MAN LIFT |
| • BACKHOE LOADER | • BOOM TRUCK |
| • WHEEL LOADER | • FLATBED TRUCK |
| • EXCAVATOR | • DUMP TRUCK |
| • GRADER | • DIESEL/GASOLINE TANKER |
| • BULLDOZER | • SWEET/RAW WATER TANKER |
| • SKID LOADER | • BUS (15 TO 66 SEATER) |
| • ROLLER COMPACTOR | • CAR & SUVS |
| • PLATE COMPACTOR | • AMBULANCE |

WE OPERATE **24/7** TO ENSURE MAXIMUM CLIENT SATISFACTION AND UNINTERRUPTED PROJECT EXECUTION.

FOR HIGH-QUALITY EQUIPMENT RENTAL SERVICES AT THE BEST MARKET RATES, TRUST **FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT**—YOUR RELIABLE PARTNER IN CONSTRUCTION AND INDUSTRIAL SUPPORT!

Better **Client**
Satisfaction

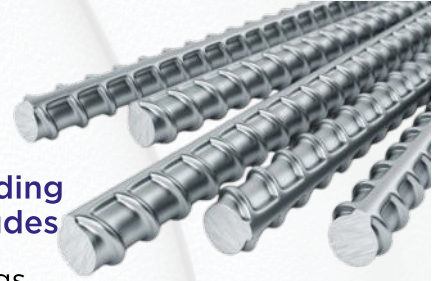

Material Supply

MALA industrial Services are supplier of Raw Materials, Components and Parts to the industrial consumers. Our commercial counterparts are both industrial management and industrial consumers. We supply materials from the original source of manufacture to the industrial consumer. We offer Sourcing, Purchasing, Procurement, Finance, Packing, Storage, Logistic and Insurance services to our clients in Kingdom of Saudi Arabia.

Our Major Trading Diversity Includes

- Pipes & Fittings
- Electrical Items
- Valves
- Instrumentation Items
- Equipment's and parts
- Scaffolding materials
- Safety Materials (PPE) & Fire Fighting Materials
- Hose & Fittings
- Hydraulic & Pneumatic fitting
- Hand Tools and Machine Tools

Our Trading Services includes:

- Mechanical Materials
- Electrical and Instrument Materials
- Civil Materials

Tools & Hardware

- Hand Tools & Power Tools
- Abrasive and Cutting Tools
- Pneumatic Systems
- Hydraulic Systems

Electrical

- Conduit & Fittings
- Plugs & Sockets
- Control Equipment
- Electrical Accessories

Gasket

- Metallic & Non Metallic
- Spiral Wound
- Ring Type

Flanges & Fittings

- CS-High & Low Temp
- Stainless Steel

Maintenance & Shutdown Works

FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT is one of the leading service providers in maintenance and shutdown Works. Working closely with either the client's maintenance engineers or our own on-site maintenance services specialists, our dedicated shutdown crews plan and execute complex or unique shutdown projects on time. On budget and most importantly, safely. We have the capability to take up shut down contract works in refineries, petrochemicals and other major industries. Our experienced and dedicated laborers can do tank cleaning, cyclocleaning, blasting, chipping and painting, overhauling of pumps, electrical repair works, carpentry works, piping and maintenance and fabrication works.

Building and Road Construction

BRIDGE INVESTMENT HOLDING GROUP COMPANY is engaged in land and offshore drilling activities and operates land rigs as well as offshore jack up rigs in the Kingdom of Saudi Arabia. We provide a variety of top quality drilling services to extract oil and gas safely and efficiently for our clients and we are well positioned to handle the most challenging drilling programs.

THE EQUIPMENTS WE SERVE

MOBILE CRANE & OTHER EQUIPMENTS

25 TONS	DUMP TRUCK
50 TONS	ROAD ROLLER
60 TONS	FORKLIFT
70 TONS	BOBCAT
80 TONS	GENERATOR
100 TONS	AIRCOMPRESSOR
120 TONS	LOADER
150 TONS	BOOM TRUCK
160 TONS	BACKHOE WITH LOADER
200 TONS	BACKHOE
400 TONS	DIESEL TANKER
450 TONS	WATER TANKER
	TOWERLIGHT

CRAWLER CRANE & COMPACTOR

50 TONS 100 TONS
160 TONS 200 TONS
300 TONS

WELDING MACHINE
EARTH RAMMER
PICKUP, CAR, BUS

INDUSTRIAL MATERIAL SUPPLY

- PPE - FOR SAFETY
- ALL TYPE OF POWER TOOLS AND HAND TOOLS
- CONSUMABLES MATERIALS
- HARDWARE ITEMS

SHE POLICY, Safety, Health, Environment (SHE) is our top priority and integral part of our business. Towards this objective we shall

- Development SHE Management policies and Work Practices for implementation at all our workplaces.
- Fully abide by the ministry of interior Safety & Security Directives, Individual client project policies and other applicable government regulations.

Our Valued Clients

We have world class engineers and materials that's enough to provide you the best industrial solution support.

Our Workforce & Expertise

At **FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT**, we believe that our people are our greatest asset. Our workforce comprises highly skilled engineers, technicians, and project managers who bring extensive industry knowledge and hands-on experience to every project. Their expertise allows us to execute complex construction and engineering tasks with precision and efficiency.

Key Strengths of Our Team:

Skilled Professionals:

Our employees undergo continuous training to stay updated with the latest industry standards, safety regulations, and technological advancements.

Multidisciplinary Expertise:

We employ specialists across various disciplines, including civil engineering, mechanical engineering, electrical engineering, project management, and safety compliance.

Commitment to Quality & Safety:

Every team member is trained to follow best practices, ensuring quality assurance and compliance with health, safety, and environmental regulations.

Problem-Solving Capabilities:

With vast experience handling large-scale and challenging projects, our experts provide innovative solutions to meet construction and engineering demands.

By fostering a culture of teamwork, continuous learning, and dedication, **FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT** ensures that we consistently deliver top-tier services to our clients.

Sustainability & Innovation

In today's rapidly evolving world, sustainability and innovation play a crucial role in shaping the future of construction and engineering. At FARIS AWAD MISHAAN AL-MUTAIRI CONTRACTING ESTABLISHMENT, we are committed to implementing eco-friendly solutions and innovative technologies that promote long-term sustainability while maximizing efficiency.

Our Sustainability Initiatives:

Eco-Friendly Construction Practices: We prioritize the use of sustainable materials, energy-efficient designs, and waste reduction techniques in our projects.

Resource Optimization: Our operations focus on minimizing environmental impact by reducing carbon emissions, conserving water, and recycling construction materials where possible.

Workplace Safety & Environmental Protection: We adhere to international safety and environmental regulations to ensure that our projects are both safe for workers and environmentally responsible.

Embracing Innovation:

Advanced Engineering Solutions: We integrate modern engineering techniques and state-of-the-art equipment to improve project execution and efficiency.

Digital Transformation: We leverage digital tools such as Building Information Modeling (BIM), automated machinery, and smart construction methods to enhance project planning, execution, and monitoring.

Continuous Improvement: We are constantly exploring new construction methodologies, technology-driven solutions, and engineering advancements to stay ahead in the industry.

Our commitment to sustainability and innovation ensures that we deliver high-performance projects that benefit not only our clients but also the communities we serve.
