

Time Zones Worksheet 1

1/ Sao Paulo is 3 hours behind London. Claire gets into London City Airport at 12:30pm London time. Her flight from Sao Paulo took six hours forty-five minutes. What was the local time when Claire left Sao Paulo?

2/ Thomas takes a plane to Singapore. His flight leaves London Gatwick at 4:23pm. The flight takes 12 hours. Singapore is seven hours ahead of London time. What is the local time when Thomas lands in Singapore?

3/ The total flying time from London to Tokyo via Doha is 18 hours. The flight from London to Doha is 50% of the flying time. The flight takes off from London at 12:30pm.

If Doha is 3 hours ahead of London time, what is the local time the plane arrives in Doha?

4. Look at the question above. The time in Tokyo is 9 hours ahead of London. If the plane stops in Doha for 1 hour then takes off for Tokyo what local time does the plane arrive in Tokyo?

Time Zones Worksheet 1 answers

1/ Sao Paulo is 3 hours behind London. Claire gets into London City Airport at 12:30pm London time. Her flight from Sao Paulo took six hours forty-five minutes. What was the local time when Claire left Sao Paulo?
