DECKERS BRANDS

SOCIAL MEDIA AND COMMUNICATIONS COACH

DENVER, CO

JUNE 2023 - CURRENT

- Keep customer-facing help info housed in Help Centers across five branded websites organized, updated, and digestible.
- Help manage small team who responds to low-rated reviews published on all product pages across four different brands.
- Maintain public-facing informative articles regarding company policies with use of Gladly Administration account.
- Archive all internal and public facing informative articles within OneDrive including dates of when updates were made.
- Train team how to respond to low-rated product reviews posted across our brand sites within legal SLA timeframe.
- Analyze product review data to better understand how certain styles across each brand are being accepted by customers.
- Train team how to edit policy articles found in Gladly Answers resource list as well as their archived OneDrive versions.
- Create training resources to assist teammates in learning new skills across the communications side of our team.
- Create shadowing videos for Deckers employees interested in learning what the communications team is responsible for.
- Analyze performance data to better understand how teammates are performing monthly, quarterly, and annually.
- Keep hundreds of company employees updated on future product launch and collaboration information across six brands.
- Assist with branded automated email templates that are sent out to customers in case of certain situations.
- Assign multiple teammates to different roles daily to ensure communications workload is handled within teams SLA.
- Work cross-functionally with other teams to help communicate consistent policies and resources across all departments.
- Help create monthly Ops Newsletter which provides updates from multiple teams under the Operations umbrella.
- Inform hundreds of employees across multiple teams of important operations updates by sending out Ops Newsletters.

Website Request Timeline

View <u>available website packages</u> that are offered to see which option will work best for you or your business.

Fill out the <u>Website Request Form</u> letting Stephen know which type of website you are in need of.

Stephen will then reach out to you to learn more about you and your business as well as discuss site designs.

Upon service agreement, Stephen will email you your service contract to sign and return, as well as send you an invoice to receive your first payment.

PLEASE NOTE THAT AN INITIAL 50% DOWN PAYMENT OF YOUR WEBSITE COST IS DUE AT THE TIME OF AGREEMENT.

Website Request Timeline

Upon receiving back your signed service contract and initial payment, Stephen will then email you an Asset Request Form to obtain all the assets you would like to include on your site such as your logo, images, biographies, and more.

Once Stephen receives all of your site assets, he will then begin your site creation staying in constant contact with you regarding any questions that arise, as well as provide design updates.

PLEASE NOTE THAT THE QUICKER STEPHEN RECEIVES YOUR SITE ASSETS, THE QUICKER YOUR WEBSITE WILL BE COMPLETED.

Upon your website being completed, Stephen will confirm all layouts with you as well as run a final bug sweep to catch any last minute mistakes.

Only when you are completely satisfied with the state of your website is when it will go live for the public to see.

Website Request Timeline

Upon the launch of your site, Stephen will provide ongoing site maintenance for two years updating any requests that you submit.

AFTER TWO YEARS OF MANAGING YOUR SITE, THERE WILL BE A NEW MONTHLY FEE IMPLEMENTED IN THE VALUE OF 2% OF YOUR INITIAL WEBSITE COST TO CONTINUE THE MAINTENANCE OF YOUR SITE. - IF YOU NO LONGER NEED YOUR SITE AFTER TWO YEARS FROM LAUNCH, IT WILL BE REMOVED FROM THE INTERNET.

PLEASE NOTE THAT LARGER UPDATE REQUESTS SUCH AS LAYOUT REDESIGNS AND CONTENT UPDATES WILL BE CHARGED AT A $50 PER DAY.

Sit back and enjoy your new website!

Thank you!

Please let me know if you are interested at all or have any questions.
