Why buy UKSOL solar panels?

UKSOL is a British brand of solar PV module backed by:

Trusted 30-Year British Performance Warranty, since 2015

4MW per day capacity

MCS and TUV-SUD IEC Certified. PV Cycle WEEE compliance and recycling

UK-based service and after-care support

Ethical Procurement: We are proud members of Sedex, Solar Stewardship Initiative, ECOVADIS & Solar Energy UK

British company compliant with UK laws, paying British taxes & WEEE levies

Every UKSOL solar module is backed by a 30-year British performance warranty. Customers can choose between sleek black or silver frames. Additionally, optional Tigo optimisers can be installed at our manufacturing facilities. UKSOL operates factories in Spain, India, Türkiye, and China, with some assembly taking place in the UK.

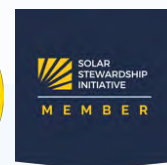

**30 YEAR
BRITISH
WARRANTY**

Trustworthy, Ethical Manufacturing

UKSOL ensures **ethical procurement, transparent sourcing, and full traceability**, rejecting slavery and forced labour while upholding strong labour rights and partnering with responsible suppliers for sustainable, high-quality solar solutions.

UKSOL's factories are **SMETA-approved** under **Sedex's** ethical audit, ensuring high standards in labour rights, environmental responsibility, and business integrity.

UKSOL is a proud member of **Solar Energy UK**, the **Solar Stewardship Initiative**, and **EcoVadis**, demonstrating its commitment to ethical sourcing, sustainability, and responsible solar industry practices

by MCS & TUV-SUD with a 30-year warranty

Unlock a 45% Funding Uplift with ECO4

**Get a 45% Uplift with UKSOL
ECO4 Optimised Panels**

OFGEM Approved

Key Features

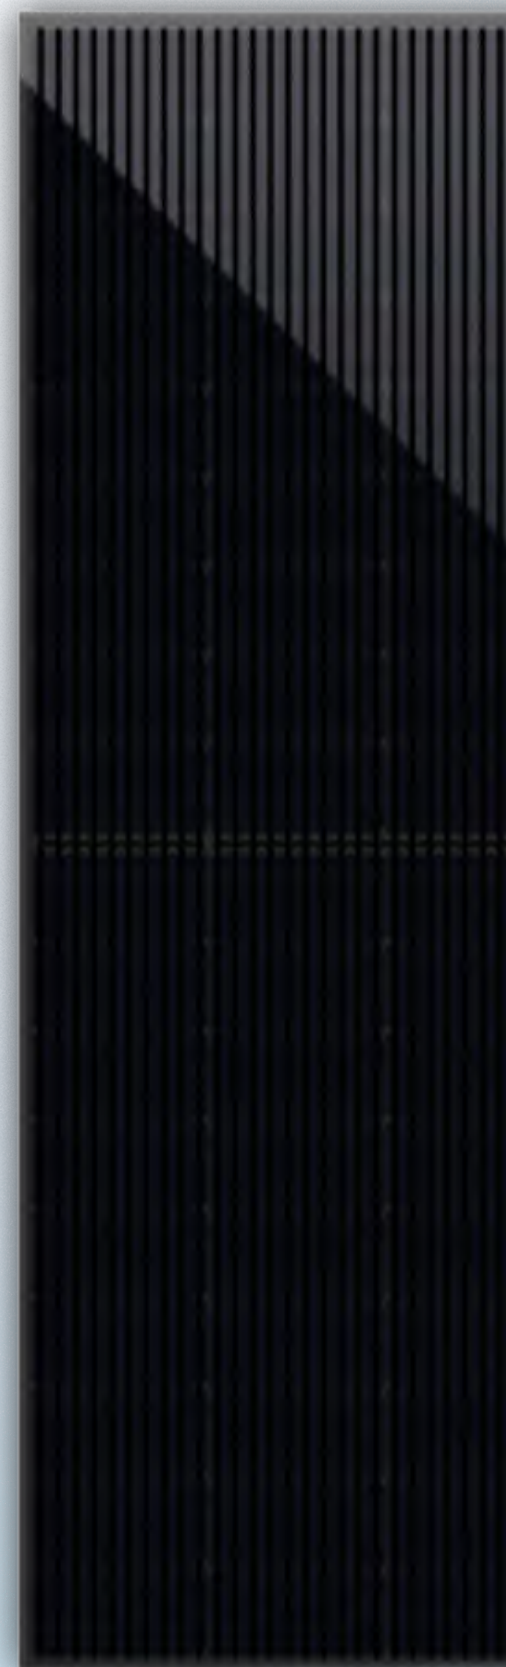

ECO4 Funding Uplift: Up to 45% uplift when connected to the internet, unlocking full optimisation and performance tracking. 25% uplift available for installations without internet connectivity, ensuring funding support regardless of monitoring preferences.

Higher Returns: Increase energy savings while enjoying long-term performance and reliability from UKSOL's cutting-edge technology.

EDF Energy Sponsorship: Backed by EDF, ensuring high-quality renewable solutions with industry-leading support, while integrating seamless data management to meet funding requirements. No hidden data upload fees for each installation.

UKSOL Combined Warranty for PV module & Tigo Optimiser: Since it's built in directly at our factory, the Tigo Optimiser as well as the panel itself are fully covered by the UKSOL 30-Year British Warranty.

Inverter Neutral Design: Compatible with various inverter brands, offering greater flexibility in system integration.
