

SELAMAT DATANG DI **KEBONKITA**

Filosofi kuliner kami adalah semangat, dan hidangan kami merupakan dialog dengan masa lalu, interaksi dengan masa kini, dan aspirasi untuk masa depan. Semua ini menjadi kenyataan sehari-hari. Memasak menuntut kerendahan hati, tetapi dengan sentuhan arogansi.

Ini adalah tugas berulang yang sering kali melelahkan. Terkadang tanpa pamrih. Namun, bagi kami ini adalah sumber kegembiraan dan kesenangan dari kreativitas melalui inspirasi.

Kreativitas lahir dari keaslian, namun didukung oleh tradisi dan pengalaman. Ini adalah garis pemisah yang tipis antara hidangan yang kreatif dengan hidangan yang berlebihan. Bagi kami, dalam sebuah hidangan yang sukses, tidak ada rasa yang mengalahkan rasa yang lain, tetapi bahan-bahannya yang diutamakan. Kami berharap bahwa penggunaan produk unggulan yang baik, akan membuat Anda menikmati keunggulan produk yang kami coba sajikan.

Komposisi yang akan Anda rasakan adalah kreasi unik dari keindahan dan kelezatan, yang merupakan cerminan dari Kreasi terbaru kami untuk menggugah selera Anda.

Kreativitas yang kami sajikan ini adalah untuk kenikmatan Anda bersantap sambil menikmati suasana yang nyaman di KEBONKITA.

Selamat Menikmati!
