CLOTHING MANUFACTURER

MANUFACTURING PARTNER: PENTA WEAR INC.

**TRENDICA
LIMITED**

ABOUT US

Trendica Limited, in proud partnership with **Penta Wear Inc.**, is a custom clothing manufacturing company dedicated to bringing brand visions to life. Together, we specialize in producing high-quality, fully customized apparel for streetwear labels, activewear brands, and fashion startups. From design to delivery, our expert team handles everything – offering fabric sourcing, cut & sew production, and premium printing options. At Trendica, we don't just manufacture clothing – we help build brands.

OUR VISION

At **Trendica Limited**, our vision is to empower emerging and established clothing brands by delivering premium custom apparel.

We aim to simplify the manufacturing process with expert guidance, innovative solutions, and unmatched quality.

Together with Penta Wear Inc., we envision a future where every brand can bring their unique identity to life.

Our mission is to be the most trusted partner for brands ready to scale with confidence.
