## CASE STUDY CHINATOWN BIA

This well-known Toronto destination attracts a large number of visitors and is home to over 500 businesses, including world-renowned brands such as:

### What We Do?

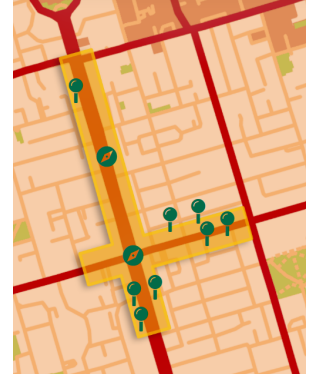

ValGuard Security provides CBIA with a daily street patrol program. Initially started as a pilot project, this initiative was well received by CBIA members and became permanent. Aiming to further improve the safety of the community, this measure has positively contributed to the well-being of the entire area.

### Who We Are?

Being a client-centric company, ValGuard Security offers top-notch services to address various safety concerns. Since our founding in 2009, we strive to provide exemplary security-related services by combining top-quality personnel with sophisticated technologies to serve our valued customers.

### Location

One of the busiest Toronto's downtown districts, located on Spadina Ave. (between College St. & Sullivan St.) and Dundas St. W (between Augusta St. & Beverly St.) intersection.

### Why Choose Us?

*"Their team's professionalism and dedication have consistently exceeded our expectations. The peace of mind they provide to our members is invaluable."*
