

VALGUARD

Your Valuables Are Safe With Us

Providing efficient and cost-effective services in a transparent way

Who We Are

ValGuard Security Inc. is the biggest non publicly traded armoured security company in Canada and is one of a few companies in the country that offers both armed & unarmed security and cash-in-transit (C.I.T.) services.

Besides that, the Armoured Car Division specializes in:

- ATM and BTM (Bitcoin) Services (Loading, Servicing and Technical Support).
- ATM Vault Cash, Storage Programs, Cash Forecasting.
- Secured Transportation of Cannabis, Valuables, Precious Metals, Stones, Arts and Artifacts.
- Cash Management and Vault Storage (fully insured).
