Sermon Notes – July 27<sup>th</sup>

### 1. God Has Been ..... From The Beginning (Psalm 71:5-8)

David looks back and sees God's faithfulness through every chapter of his story—from shepherd boy to giant slayer to king. Even in failure and loss, God never let go.

**Reflect:** Where do you see God's fingerprints in your life story? Have you paused lately to thank Him?

### 2. God Is With Us In Our ..... Moments (Psalm 71:9-12)

As David lies bedridden in 1 Kings 1, his son Adonijah tries to steal the throne. But God is not done with David—He strengthens him even in old age to act in wisdom and faith.

**Reflect:** Are you facing physical weakness, loss, or discouragement? Remember: God is your ever-present help (Psalm 46:1).

### 3. God Has Given Us A ..... To Pass On (Psalm 71:15-18; 1 Kings 2:1-3)

David charges Solomon to walk in obedience to the Lord. Though David hadn't always parented well, God gave him another chance to influence the next generation.

**Reflect:** Who in your family or church can you spiritually encourage? It's never too late to share your testimony.

### 4. God Will ..... What He Started—With Eternal Joy (Psalm 71:19-23; Philippians 1:6)

David trusted that God would not only carry him through life but also raise him beyond the grave. Our faithful Companion will complete what He started—in glory.

**Reflect:** Are you living with hope in God's eternal promise? What joy awaits you on the other side of the journey?

**Closing Encouragement:** God is the faithful Companion of your life's journey—from beginning to end. Let your story point the next generation to His power, mercy, and joy.
