### **ASTRAPIA UPVC TECH PRIVATE LIMITED**

Astrapia is a renowned manufacturer of WPC Door Frames, WPC Door Panels, and PVC Ceiling Panels. Our products undergo rigorous quality testing to ensure they are 100% flawless. We specialize in providing customized solutions to meet the unique needs of our clients. With a commitment to both quality and affordability, we proudly serve customers nationwide.

### **ABOUT WPC**

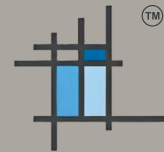

Astrapia WPC is an eco-friendly alternative to timber and plywood, offering excellent resistance to rotting and decay, reducing environmental impact. With benefits like water resistance, no decay or borer attacks, enhanced flexibility, and a variety of colors, it's a durable, sustainable solution. Made from wood flour, plant fibers, and thermoplastics like polyethylene, PVC, and polypropylene, Astrapia WPC provides high performance for diverse applications.

# WPC Features

- ★ Water Resistance and Termite Resistance
- ★ No crack and easy maintenance
- ★ No painting required (can be painted or polished)
- ★ Shock-resistant and an excellent electrical insulator
- ★ Fungal and rot-resistant for long-lasting durability.
- ★ Sound-absorbing with energy-saving performance.
