Career Guidance Workshop

The one-day Career Guidance Workshop was organised by the Department of Higher Education, Goa on 25 February, 2026 in our school auditorium. Mr. Anil Kumar, a renowned career counsellor, conducted the session and was assisted by representatives from various professional institutes.

The students were guided about different career options available after Higher Secondary education and the eligibility criteria for each field. They were informed about courses in engineering, medicine, law, management, media and civil services. The resource persons also explained the importance of aptitude tests, scholarships and skill development. Interactive sessions, presentations and question-answer rounds were conducted to clear the doubts of the students. The workshop concluded with a vote of thanks and the distribution of informative brochures to the 75 participants. The Career Guidance Workshop proved to be highly beneficial and enlightening for the students.
