01

Canva - Freelance Contributor

Creating custom photos for Canva. Canva is a free-to-use online graphic design tool. Use it to create social media posts, presentations, posters, videos, logos and more.

02

iStock - Freelance Contributor

A contributor for iStock images. iStock is an online international micro stock photography provider.

03

Pexels - Freelance Contributor

Pexels is a free stock photos & videos directory providing users with access to millions of high-quality royalty free stock images & copyright free pictures. Using Pexels, I have created a profile sharing pictures that have reached over 25 million people.

04

Editorial & Portrait Photography

Editorials & Portraiture are a way of life. The pictures speak about life and what it means to stay in that still moment.

05

Brand Imaging

From time to time, clients state what they want and it is up to the creative to translate that to the image of the brand.

06

Kukori Art

Kukori art is an extension of my freelance brand, used to curate and create art expressions of my photos and imaginations off my mind

07

Street & Documentary

Understanding life from different people's perspective and how their world is shaped

08

Landscape & Nature Photography

Landscape and Nature cover all there is to say about life and nature. What we breathe, eat, feel and see can be captured in words.

CANVA CUSTOM SHOOT

2020

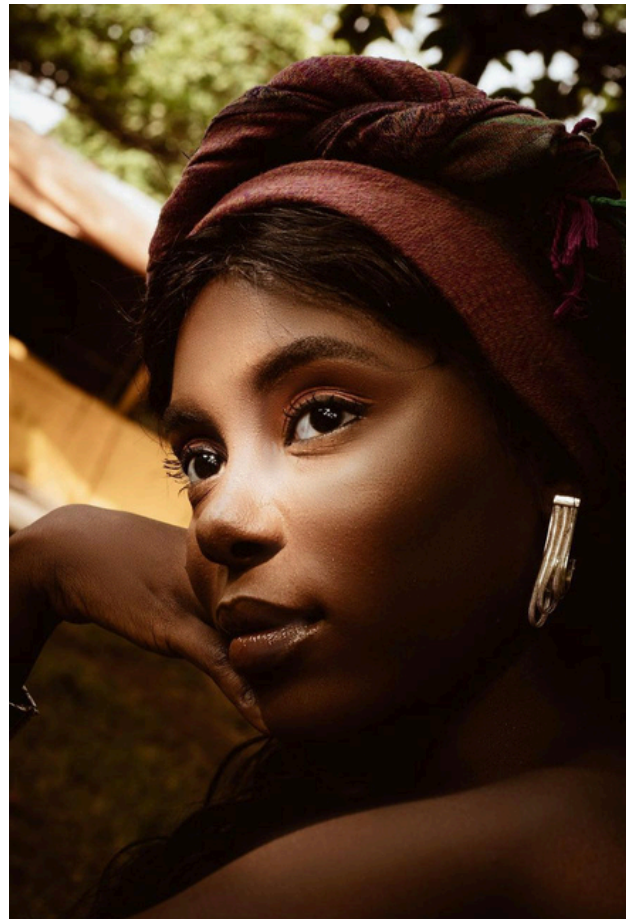

Creating custom photos for Canva. Canva is a free-to-use online graphic design tool. Use it to create social media posts, presentations, posters, videos, logos and more.

iStock SUBMISSIONS

2020

in 2020, I got accepted into the prestigious Getty Images as a contributor for iStock images, the brand's directory for stock images

PEXELS FREELANCE CONTRIBUTION

STARTED 2019

I created a profile on Pexels to share work I have/had done in free time and to grow my following. Pexels is a very versatile platform that enables content creators reach brands.

Since the launch of my Pexels portfolio, I have gained international and local recognition from brands and fellow content creators who have reached out to work directly with them or commended the quality and versatility of my work, because it enabled them meet their desired media goals.
